

# Eagles Soar Into Battle For State Crown

BY JOHN SHIELDS

The Class AA, Region I Basketball Tournament at Lubbock last weekend was the time for good teams to fall-and-for champs to move on.

Canyon moved on. Coach Allen Simpson's Eagles was the only club to retain its 1963 crown at the tournament for classes AAA, AA, and A.

Canyon and Sour Lake battle in the opening round at the state tournament today (Thursday) at 3:10 p.m. The Eagles take a 28-9 season record into the clash while the Rebels are 28-5.

San Diego will take on Lancaster in the other Class AA tilt at 4:45 p.m. today.

Canyon throttled Anson's favored Tigers in the opening round Saturday morning, 53-45.

The win was a shock to practically everybody except the large Canyon contingent--and the Eagles and Coach Simpson.

But the big victory which put Canyon in the state tournament to be held in Austin this week was the Eagles' 53-44 win over Dimmitt in the finals. It was the fourth Canyon win over the Bobcats this season.

Graham advanced to the state tournament in Class AAA and Sanford-Fritch grabbed the Class A title.

The state tournament will be nothing new for the Eagles. Last season Canyon ripped Dulles, 75-39, in the semi-finals and then fell to a tough Buna crew, 47-41, in a battle for the crown. Bobby Evans and Eddie Poole

were named to the All-Tournament Team selected by coaches with teams entered in the tournament. Others were Coney Elliott, Comanche; Jacky Nichols, Dimmitt; and Abner Shellenman, Anson.

Key to both of Canyon's victories was its superiority in defense. The Eagles were second to none in that department.

Canyon did, however, collide with a pair of top defensive clubs in Dimmitt and Anson. The result was poor shooting percentages from the field.

Against the Tigers, Canyon connected on only 16 of 44 attempted field goals for a cool 36.4 percent. This was the lowest percentage from the field that Canyon had posted in 22

games.

And it wasn't to be improved against Dimmitt. The Eagles dropped in 17 of 47 attempts from the field in that tilt for 36.2 percent.

However, Anson and Dimmitt both failed in matching Canyon percentage-wise. Anson sank 14 of 5 attempts for 27.5 percent and the Bobcats connected on 16 or 46 tries for 34.8 percent.

The score in the final contest was tied six times, twice in the first, second and fourth quarters.

But Canyon never trailed in the scoring. Steve Burgess canned a 20-foot jump shot with 3:10 left in the initial period to give Canyon a six-point lead, 8-2. He sank another two-point

with 10 seconds to go, giving Canyon a seven-point lead going into the second stanza, 12-5.

The Bobcats rallied forces in the second period and battled to a 17-17 halftime deadlock.

Don Breitling sank a set shot from the corner in the opening seconds of the third quarter to put Canyon out front, 19-17. Dimmitt came to within one point of the champs with 36 seconds remaining to be played in the third stanza, 29-28. Evans connected on a jumpshot at 0:07 to give Canyon a three point lead heading into the final period, 31-28.

The Bobcats knotted the count at 31-all and 33-33 for the final time. Skip Moore dropped in a layup with 3:33 to be

played to put the Eagles out front for good.

Canyon held a 5-13 point lead the remainder of the game. The Eagles hit on 72 percent of their charity tosses in that contest. Dimmitt dropped in 12 of 22 tries.

In the game with Anson a first quarter scare was put into some Eagle followers after the Tigers took a 9-1 lead. But then coach Simpson called a time out with 5:40 left in the first period.

Canyon then scored 10 straight points while Anson failed to count. Anson knotted the score for the only time in the tilt, at 11-all.

Going into the second stanza Canyon led, 13-11.

Canyon outscored the Tigers

16-4 in the second period and took a convincing 29-15 halftime lead.

There was no doubt then as to who would win.

The Eagles took a 20 point lead at 2:05 in the third quarter, 42-22. Heading into the final stanza the count was 44-23.

Canyon went into a stall at 4:39 with a 13 point lead, 44-31. Burgess fouled out with 2:51 left and Poole followed a minute later.

Evans paced Canyon's scoring attack in the Anson game with 16 points--10 of those on free throws. Nine of the gratis pitches were in the last half. Poole had 12, Breitling 10, Jim Whinnery 8, Moore 6 and Burgess 1.

## Service For Champs

Forty copies of this issue of The Canyon News will be in the hands of the Canyon Eagles basketball team today before game time.

Arrangements for delivering the papers to the Eagles have been made by Joe Abbott of RAR Homes here, one of the town's top Eagle boosters.

The papers were scheduled to be put on an Austin-bound plane at Amarillo Wednesday night. Abbott will meet the plane at the Austin airport and play route boy for the champs.

## Grad Plan Pushed

By TROY MARTIN

Another hurdle for the proposed West Texas State University Killgore Research Center was cleared Saturday as the board of regents met in Greenville.

West Texas State officials received board approval to submit a request to the Texas Commission on Higher Education at its April meeting for permission to offer biology as a major for the master's degree.

Mrs. E. D. Lockett of Troup opposed granting the request on grounds that it is a violation of

Gov. John Connally's suggested moratorium on new programs. The governor asked that such a moratorium be in effect until he receives a report from his Committee of 25 on Higher Education.

The report has not yet been made.

Dr. James P. Cornette, WT president, told the regents that the graduate degree program is absolutely necessary for the opening of the research center.

The center is scheduled to open by Sept. 1, 1965, he said. The Killgore Foundation has put up \$500,000 for building the center.

Dr. Cornette said about \$250,000 in matching funds is needed from the National Science Foundation. He said no application could be made for these funds until the master's degree in biology is cleared.

He said the graduate degree program had been discussed with the Commission on Higher Education about two years ago, along with proposed master's degree programs in mathematics, chemistry and physics.

He said a request was submitted in the areas of mathematics, chemistry and physics. None was submitted in the field of biology.

"Not for any particular reason," Dr. Cornette went on, in reference to failure to submit a request in the area of biology, "except that we weren't quite ready at that time."

He said the master's degree program in biology was discussed with the commission staff and "they understood it." "We did go ahead and add the courses and develop the program with the exception of the thesis course," he said.

Dr. Cornette explained why the thesis course is so important to the research center.

"A good part of the space in the center itself is dedicated to biological science operation," Cornette said. "That is in line with the cooperative agreement established a year or two ago, and with board approval between our institution and the (See GRAD, Page 7)

## St. Ann's Gets JFK Memorial

In memory of the late President John F. Kennedy, Mr. and Mrs. Joseph P. Kennedy have donated a tabernacle, two altars and a pulpit to St. Ann's Church in Canyon.

Announcement of the memorial gift was made Wednesday by Fr. George H. Sallaway, pastor. Construction of the new church is scheduled to be completed in April.

The Rev. Fr. Sallaway said the tabernacle, now being made in Belgium, will be finished in cloisonne enamel and will depict the Lamb of God feeding His people with the Holy Eucharist. To maintain unity of material with the rest of the church, the altar supporting the tabernacle, the altar of sacrifice, and pulpit will be built of formed concrete. The bases of each will be similar--of conic shape and roughly finished in white cement and quartz aggregate.

A new feature in design of church furnishings will be the reversible top on the pulpit. Reversed on weekdays, the pulpit will serve as a throne for the Scriptures.

Designs were drawn by Joseph F. Gulde of Amarillo. Other area artists are collaborating on design of windows, baptismal (See ST. ANN'S, Page 7)

## Woman Free On Bond In Husband's Slaying

Persistent work by Amarillo police and the Randall County sheriff's department resulted Tuesday in filing of a murder charge against Mrs. Shirley Jean Chamberlain, 34, in connection with the Feb. 21 death of her husband, Lenzy Earl Chamberlain.

Chamberlain, 36, was found shot to death in a room of the couple's home at 3402 Nebraska, in South Amarillo. A .22 caliber bullet had penetrated his heart, and a rifle of the same caliber was found lying on the floor near the body.

Mrs. Chamberlain, who had summoned an ambulance, said at that time that the shooting had been an accident. Officers continued to investigate, and on Monday Mrs. Chamberlain reported to Amarillo police headquarters for questioning.

Monday afternoon she made a signed statement and was charged here Tuesday with murder with malice. Justice of the Peace Bill Wilson set bond at \$10,000. Mrs. Chamberlain was

released from jail about 5:20 p.m. Monday after bond was posted by Robert W. Castleberry and Winton McMellon, both of Amarillo. (See WOMAN, Page 7)

The Statue of Liberty, Miss Kathleen Harter, and Uncle Sam, Cole Lippold, were a part of a patriotic program, "America Is My Country"

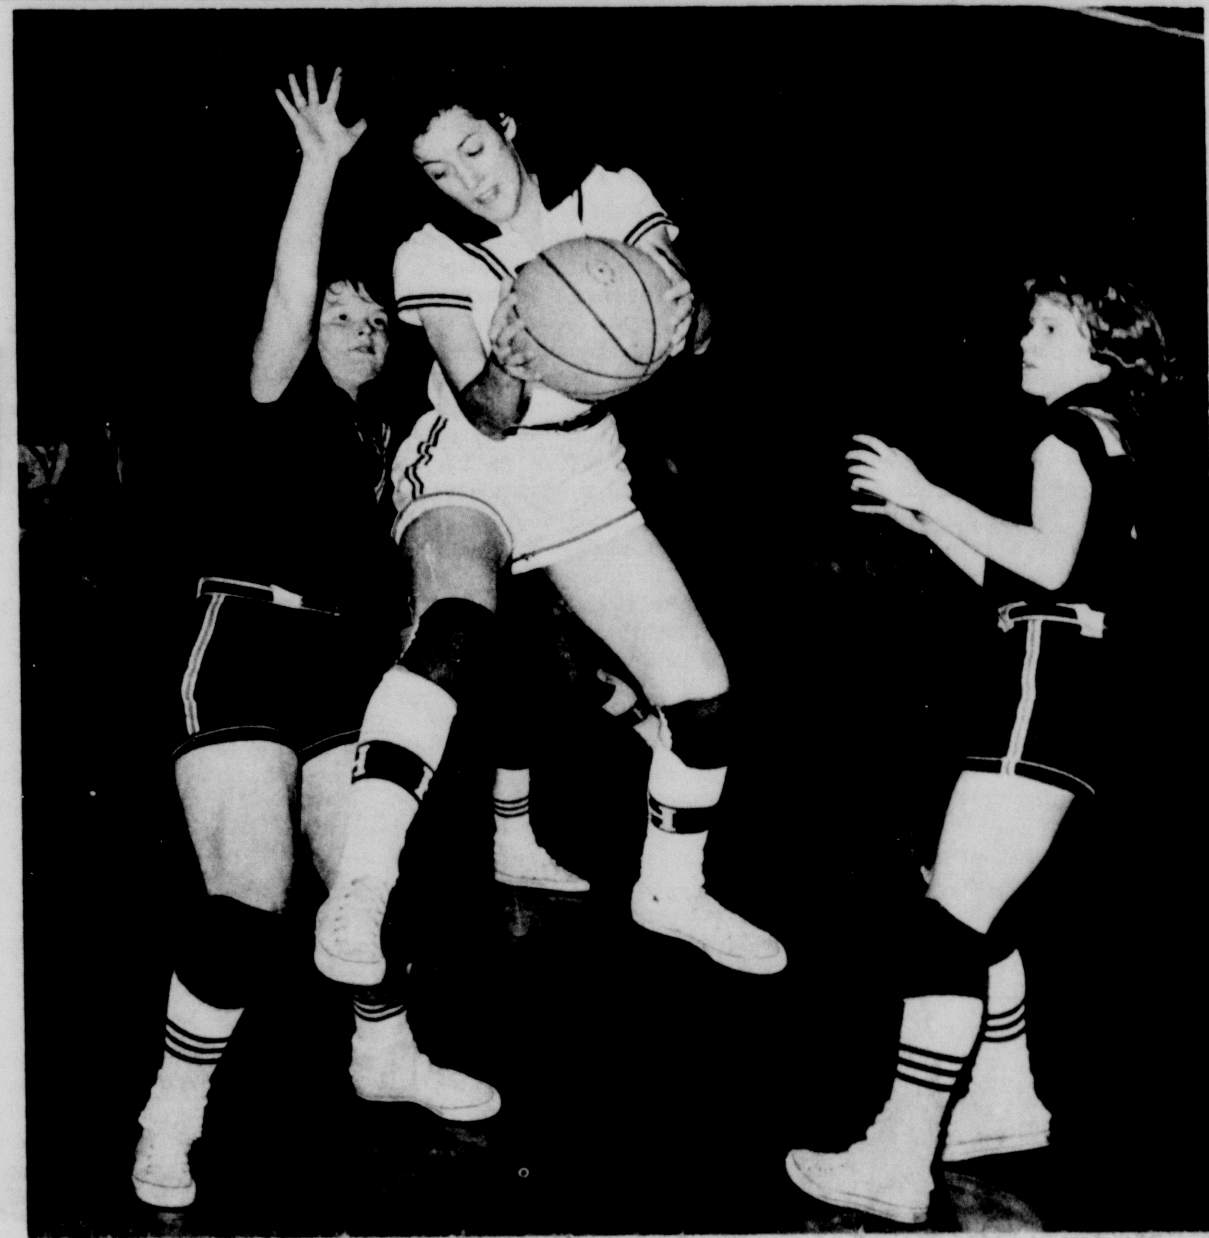

that was presented by third grade students Tuesday evening in conjunction with Texas Public School Week.

## Labor Survey Under Way

Canyon Chamber of Commerce is doing a survey on the availability of labor in the Canyon area.

The survey is being made as a result of a prospective industry being located here. The industry will employ from 12 to 50 persons.

An employment survey blank appears on page 2 of this section. If you are interested in employment fill out the blank in detail and mail to the Canyon Chamber of Commerce, Canyon, Texas.

tussle held in the Tascosa High School gym. Happy will meet Ropesville at 3:15 p.m. Friday in the regional tournament in Canyon. (Photo by Margo Williams)

## Area Deputies Solve Burglaries, Arrest Five

Joint efforts by Randall, Potter and Oldham county sheriffs and deputies resulted Tuesday in the arrest of five persons believed to be implicated in a series of burglaries involving cash and other loot worth thousands of dollars.

Charged here Wednesday with burglary in connection with the Feb. 25 break-in at Consumers Fuel Association and Elevator were Anthony A. Schoenenberger, 23, his wife Dorothy Louise, 22, Morris Vern

Ross, 27, his wife Alice Sue, 21, and Tommy James Hinkle, 17.

The Schoenenbergers live at 3212-A Center, Amarillo, and the Rosses and Hinkles at the adjoining apartment, 3212-B.

All were being held Wednesday in Potter County jail at Amarillo, where they also

face burglary charges.

Randall County officers entered the case Feb. 26 when it was discovered Consumers Elevator on the south side of the Hereford Highway had been burglarized and about \$25 cash and tools worth an estimated \$290 taken. (See AREA, Page 7)

## Rules Set In Campus Politics

Political clubs may operate on the campuses of the six institutions governed by the board of regents for state teachers colleges but must adhere to 17 rules laid down by the board.

Action to permit such clubs was taken Saturday morning as the regents met in Greenville.

Board members who worked out the rules which finally were accepted by the regents were Dr. Jose San Martin, San Antonio; Otis Lock, Lufkin; and Clayton Heare, Amarillo. Among other things, the rules virtually exclude all political organizations except those affiliated with the Republican and Democratic Parties.

Following are the 17 rules passed by the board.

Membership must be open to all students within the approved criteria and the identity of each member known. (No secret roster)

All groups must have national, regional and or state affiliations.

Parent organization must have a definite policy charter, stipulating for what it stands and its ultimate purpose for the benefit of society.

Parent political organization must qualify under the existing laws of the State of Texas to put candidates on the ballot. This would eliminate extremist (See RULES, Page 7)

## Girl Scout Festivities Set Sunday

Girl Scout Sunday will be observed March 8 as over 200 Girl Scouts and Brownies of Canyon wear their organization uniforms and attend city churches in mass groups.

The girls will sit as a group at the morning services, says a spokesman for the organization. The Sunday service attendance will be kickoff for Girl Scout Week, March 8-14, which is observed worldwide.

Festivities planned for the week include a box supper for Girl Scouts, Brownies and their fathers on Friday at the all-purpose room of Rex Reeves Elementary School. The banquet, which was cancelled in February, will begin at 7 p.m.

## Four Seek Election

Two men have announced their candidacy for the Canyon Independent School District board, according to Huey Laycock, superintendent of schools.

Richmond Hales, 37, farmer and registered Angus cattle breeder, was born in Randall County and was graduated from West Texas High School in 1946.

He filed notice for election Monday of this week.

W. E. Miller, rural mail carrier for the Canyon Post Office, filed Monday with Laycock also. Miller has been a resident of the Canyon school district since 1926. He has been employed in the local Post Office for 38 years, 15 of these years was as a clerk. He has been rural mail carrier since 1941.

Filing date for school board was Wednesday at midnight. At noon Wednesday J. O. Parker, president of the board, and Charles Nester, member of the board, had filed notice for re-election.

## by Troy Martin FROM THE CANYON RIM

We went to Commerce and Greenville the latter part of last week for a regular meeting of the board of regents of Texas State Colleges.

We took off in a turbo-jet from Amarillo at 4:08 last Thursday afternoon and arrived in Dallas shortly before 5 o'clock. We made the trip in less than an hour and then spent half the night just trying to get out to Greenville, a little more than 50 miles away.

Clayton Heare, a regent from Amarillo, was on the plane. We learned the next day that a car was at the airport to meet Clayton and that he would have been glad to have given us a lift on to our destination.

The business manager at East Texas State, Commerce, generously provided us with transportation for the return trip to Dallas.

We appreciate the attitude of the regents. They make all announcements of decisions in public. They expressed appreciation for the attendance of the press.

We were gratified to have on hand representatives from the Dallas Morning News and the Houston Chronicle.

Members of the board devote a great deal of time to their effort for which they receive \$10 a day while in session.

There is one woman on the board. She is Mrs. E. D. Lockey of Troup. We are particularly drawn to Mrs. Lockey, probably in part because she apparently spends a great deal of effort in informing herself.

We guess the fact that Mrs. Lockey reads The Canyon News makes us appreciative of her. Last week she stopped us in the conference room after the final meeting to send warmest regards to Dr. J. A. Hill whose

column she says she always reads.

Mrs. Lockey is a charming and gracious as well as intelligent lady. She gives the board the woman's touch.

Emil Rassman, Midland attorney, is local chairman for West Texas State University. He is articulate and outspoken. He takes his job on the board seriously and discharges his duties with gusto.

We predict that Rassman will be a well known name in Texas in the not too distant future. He is an Episcopalian and will be principal speaker for the dedication of the new Episcopal student center here within the next few weeks.

We particularly enjoyed association with Judge Heare. He has a fine sense of humor and is an entertaining conversationalist.

Newton Gresham, Houston attorney, is the able chairman of the board. He grinds out work at an amazing pace. When members of the board become too loquacious on any one subject, Gresham shoos them along.

J. C. Kellam is vice-president of the board. In private life he is manager of the LBJ Enterprises which operates the business affairs of Lyndon and Lady Bird Johnson.

Kellam, who recently visited in the White House, describes the President's mansion as a majestic prison. A colleague on the board described Kellam's keen intelligence. "He has a bear trap mind," the fellow board member declared in admiration.

J. L. Huffines is a congenial Greenville banker. It stumps us that a man as busy as a banker must be could spare the time for work on such a board. Ottis Lock of Lufkin is a

former state senator. He is a friend of our own Grady Hazlewood and asked after Senator Hazlewood's health as we conversed at the meeting.

Ed Gossett of Dallas is a legal counsellor for Bell Telephone Company in Dallas. He is another outspoken member of the board.

Dr. Jose San Martin, San Antonio, is one of the most devoted members of the board. He takes time out from a heavy practice in San Antonio to give hundreds of hours a year to his duties with the regents.

We liked them all. We will be making all the board meetings we are able to make in the future and we are looking forward to working with these fine people.

Judge Heare tells about Southwestern Public Service Company in Amarillo enjoying record collections recently during a power failure of some duration.

## Hilltop Views

BY DR. J. A. HILL

We are in the midst of officially designated Public School Week—a period in which all of us are asked to acquaint ourselves with the program, the quality, the responsibilities, the achievements, and the needs of our public schools.

It does not seem feasible here to attempt to present all these phases of education, so we have chosen simply to make a few observations more or less unrelated in themselves but each having a vital meaning for our public schools. Some of these observations may have appeared in this column heretofore, but their repetition should not be amiss.

The proper and adequate education of all the children of all the people is a mandate of all free governments.

Each child constitutes a problem in the development and enrichment of personality.

Education is vastly more than the process of transferring knowledge from the printed page or the mind of the teacher to the mind of the pupil. Schoolhouses, teachers, books, curricula, playgrounds, etc. are only implements for the attainment of a larger end—the purifying, releasing, and stimulating of the child's personality.

Most people live far below their cultural possibilities. It is entirely possible that the worst citizen in our country would have been a national asset had he been properly envionered and educated from birth.

Every youth needs to feel the challenge of his own possibilities—needs a vision of his larger self—needs to dream of power and usefulness and happiness in the realm of enlightened mind and uplifted spirit—needs to see for himself a useful place in the Divine economy. It is a responsibility of the school to see to it that each child discovers himself, comes to believe in himself, and desires to use himself in the service of others.

No pupil is incapable of profiting greatly by education. Student failures may be as much due to the incompetence of the teacher and a poor family background as to the dullness or indifference of the student.

College professors have been known to boast of the number of failures in their classes. I would as soon boast, if I were a physician, of the number of my patients who had died.

The home is the first and most effective agent for the building of characters and a sound character is the sure foundation upon which to build an education.

The ability to make money is far from being the best result of true education: If the school is worth its salt, its best service is in the cultivation of intellectual and spiritual capacities—in quickening the desire for knowledge, in stimulating the love for truth, in cultivating tastes for the good and the beautiful, in arousing the aspiration to achieve not only for one's self but for one's fellows, and in establishing habits of enjoyment at the higher levels of life. Education's best values are intangible and invisible, and give power and inclination to impart rather than to acquire.

Democracy is something more than a form of government. It is a philosophy of life in which intelligence and virtue are essential parts. A system of government based upon such philosophy must find its strength in the quality of its individual citizens. When individual character declines the democratic way of life is imperiled and society is threatened with all the abuses of autocratic government. The right to life, liberty, and the pursuit of happiness is forfeited, and men become slaves again. And it makes little difference whether the despot is a prince, a priest, or a prophet of plunder. The effect is the same.

## Letter To The Editor

Dear Sirs,

The Canyon FFA Chapter wants to thank you for the nice write-up you gave us in the paper last week. Also for the picture you put in the paper.

Yours truly,  
Canyon FFA Chapter,  
Kyle Powers

What a week for basketball! And it isn't over for Canyon and Happy fans.

The Eagles left Tuesday amid cheers and shouts of encouragement from the CHS student body and towns people. They play today in Austin in a bid for the state championship.

The Eagles looked good last weekend in Lubbock at the regional games, and from a non-expert viewpoint, we expect them to shovel the coal, and to go all the way this week.

Cowgirls did a fabulous job

## Contest Open To Students

An essay contest on "Religious Freedom in a Democracy" is being conducted by the Texas State Council of the Knights of Columbus.

The contest is open to all high school students of the state with a top prize of a \$100 savings bond being offered. A second prize of a \$50.00 bond will be awarded along with ten honorable mentions.

To enter the contest, a person must be a full time high school student under the age of 20. The essay cannot exceed 300 words and must be signed by the student with his or her name, age, school, class, home address, telephone number, city and state. The entrant should also list names, addresses and telephone numbers of his parents and school principal.

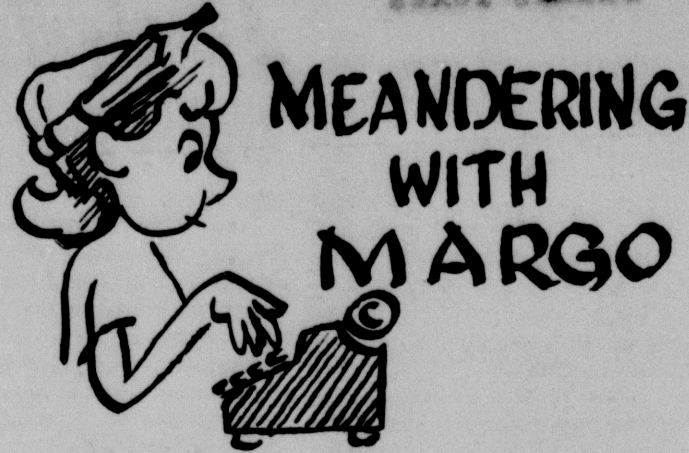

The essay contest is open to students of Canyon High School and the deadline is March 31. All entries must be mailed prior to the deadline to the Essay Contest Committee, Texas Knights of Columbus, 1111 Majestic Building, San Antonio, Texas.

## Borger Girl Injured In Car Mishap

Rita Alexander, 14, of Borger, was injured last Saturday evening in a traffic accident on the West Texas State University campus.

The accident occurred about 6:40 p.m. just east of the east entrance to the Fine Arts Building.

The girl, daughter of Alva Alexander of 907 Hemlock, Borger, was released from Neblett Hospital after treatment.

## MEANDERING WITH MARGO

of downing the Vega girls Tuesday night 59-48, for the bi-district title.

Ropesville girls are next on the list of challengers for the Cowgirls in the regional tournament in Canyon this weekend.

Irita Bowe sparked for Happy against Vega dropping in 34 points. Perhaps we are prejudiced toward the Happy team, but the Cowgirls never slowed down throughout the entire game. They never do. They amaze us in the amount of energy they generate during a game and seem always ready to take another tumble in an attempt to capture the ball.

Again this is from an unexperienced basketball enthusiast, but with the Happy girls on the court, a basketball game never slows down.

Coach Bill Tennison has taught the girls how to handle the ball with accuracy and at the same time they manipulate the ball with wonderful ease. Just a pleasure to watch a Cowgirl game...if you have plenty of throat lozenges handy after the excitement is over.

We heard a woman in town telling of the bad time she had while her kitchen was being remodeled recently.

"I'm like the woman who told me she had become an expert in cooking with an electric skillet and a pop corn popper. But the trouble came when she had to wash her dishes in the bathtub," the distraught wife confessed.

## Cub Scouting

**PACK 97**  
Den 1 ...Robbie Carter joined the den as a new member at last Wednesday's meeting in the home of Mrs. Douglas Rittenberry, den mother.

Nine boys were present for the meeting, they spent the afternoon playing outdoor games. Refreshments were served by Doug Rittenberry.

Den 2 ...Basket weaving is a new project undertaken by the Cub Scouts at last Thursday's meeting in the home of Mrs. Dean Phillips.

The boys are making a variety of items including hot plate mats and small baskets.

Douglas Phillips served refreshments after the meeting that was attended by seven Cub Scouts.

Den 3 ...Mrs. J. H. Christner, den mother, reports that her den is currently working on lacing billfolds.

Mrs. Christner and family will soon be leaving the community and the Cub Den will have to disband if a new den mother is not acquired. Any mother interested in the project should contact Mrs. Christner at FL 60932.

Den 6 ...Cubs of this group are making plaques of wolf, bear, and lion heads, which signify the rank each boy has attained in the cub scouting program.

Mrs. Roy Cates is den mother for the group. Following last Tuesday's meeting, Jimmy Starkey served refreshments.

**PACK 31**  
Den 2 ...Nine Cub Scouts and the den chief were present at Mrs. Dick Ziegler's home last Thursday afternoon for their regular meeting.

They spent the meeting working on Mardi Gras masks for the upcoming pack meeting which has been set for March 12.

Mrs. Ziegler notes that it is important for each Cub to attend the monthly pack meeting and learn the rules that will be used in an attendance contest. When the contest is concluded, winners will receive prizes.

Following the meeting last week, refreshments of cookies, that the boys made during cooking school, were served. Ricky Ziegler furnished the drinks.

Den 3 ...Mrs. J. B. Smith is the den mother for a newly organized Cub Scout Den. The group was formed last week with seven members and will meet weekly on Thursday afternoons at the Gingerbread House according to Mrs. Smith.

The boys practiced on the Cub Promise, good deeds, and made plans for projects that they will be doing in their upcoming meetings. Members of the den are Gary Bednorz, Andy Cooper, Jerry Edwards, Glenn Holcomb, Danny Hughes, John Martinez, and Kevin Smith.

Den 4 ...The meeting was opened with a living circle at last Friday's Cub meeting in the home of Mrs. L. D. Hunnicutt. The boys are busy making plaster of Paris half balls, which will be Cub Scout Hats for desk paper weights when completed.

Eight were present for the

meeting and for refreshments they made log cabins of cinnamon toast slices under the supervision of Mrs. Hunnicutt, den mother.

Den 5 ...Ronnie Russell and Phil Swartzell were named new den chiefs for Den 5 at their meeting last Thursday afternoon.

Mrs. A. C. Holley, den mother, reports that six Cub Scouts were present for the meeting and discussed taking the school of cooking at Southwestern Public Service Company in April. Their cooking sessions will be held on Tuesday afternoons.

During the meeting, they made Mardi Gras masks for their pack meeting parade this month. Steven Brock served refreshments after the meeting.

**PACK 131**  
Den 1 ...Seven Cub Scouts were present at Mrs. Ed Burgdorf's home last week for the beginning of a skit which they will present for the monthly pack meeting on March 19.

They spent the meeting time practicing the skit, and then adjourned outdoors for games and physical fitness exercises. The meeting was opened with the Cub Promise and closed with the Den Yell.

Den 2 ...A "fun day" is being planned for members of Den 2 according to Mrs. Bob Ratliff, den mother.

The boys spent their meeting last Thursday afternoon working on achievements and all have completed the Wolf badge. Currently they are working on the Bear badge and its achievements.

"Fun day" will be held Thursday afternoon, March 5, as a reward to the boys for their meeting attendance and remembering materials that are needed in their projects. Mrs. Ratliff said that they plan to visit the sheriff's office and complete the afternoon with

## Forensic Group In Finals

West Texas State Forensic group received word this week they have been chosen for the semi-finals in a national intercollegiate discussion contest which began Jan. 1.

Gene Lewis, sponsor of the organization, said the group entered a tape for the contest and received notice that the tape had been picked as one of the top 12 in the nation.

The 25-minute tape was sent to Brooklyn College in New York to be judged by speech and debating instructors at that school.

The five students discussed "What Should Be Done To Minimize Racial Friction in the United States."

Members of the discussion group are Barry Braden, Beth York, Wynette Johnson, Mary Lemmon and Willie Thompson.

The team will travel to Wayland Baptist College in Plainview today (Thursday) for a practice intercollegiate debate. Plans have been made to have a practice debate with Texas Technological College in the near future, according to Lewis.

## Judging Team Wins At Show

West Texas State University livestock judging team came out ahead by 170 points in the intercollegiate livestock judging contest last Friday in Houston. The five members of the team

led the 75 individual entries and walked away with the top five places in individual competition. They also beat 15 teams representing seven states.

MRS. BILL WHITTEN

## Driver-Whitten Vows Read In Memphis Church Ceremony

The marriage of Miss Marilyn Driver and Bill Whitten was solemnized Feb. 17 in the First Methodist Church of Memphis.

Parents of the couple are Mr. and Mrs. Warren Driver and Mr. and Mrs. W. Whitten all of Memphis.

Rev. Walter Driver of Plains, uncle of the bride, officiated at the double ring ceremony, assisted by the Rev. J. B. Thompson of Memphis.

The nuptial space was decorated with an arch of greenery flanked by floor baskets of pink gladioli and branched candelabra bearing lighted tapers. The bridal aisle was marked with white satin bows.

Music for the wedding was provided by Mrs. Ben Wilson, Jr., organist, and Kathy Gollehon of Dimmitt and Bill Bradley, vocalists. Mrs. Wilson played the traditional wedding marches for the processional and recessional and accompanied Mr. Bradley as he sang "Because" and Miss Gollehon as she sang, "Whither Thou Goest" and "Wedding Prayer" and the "Lord's Prayer" as the couple knelt at the conclusion of

the ceremony.

Given in marriage by her father, the bride wore a formal wedding gown of silk organza over peau de soie fashioned with a round neckline and elbow-length sleeves. The gathered skirt of re-embroidered Alencon lace cascaded into a short chapel train, and the same Alencon lace designs accented the round neckline.

Her finger-tip veil of French illusion cascaded from a tiara headdress trimmed with tear drop pearls and she carried a heart-shaped bouquet of pink rosebuds centered with a Cattleya orchid showered with white and pink satin streamers. Her only jewelry was a single strand of pearls, a gift of the bridegroom.

Miss Suetta Lemon of Memphis was maid of honor, and bridesmaids were Misses Ruxay Bryan of Burns Flat, Oklahoma, Sharla Taylor of Southland and Sara J. Foxhall of Memphis.

The bridal attendants wore identical dresses of pink crys-

tal peau de soie fashioned with round necklines, three quarter length sleeves and modified bell skirts. Miss Lemmon carried a colonial bouquet of pink rosebuds tied with ribbon streamers while the bridesmaids carried a single long stem pink Sweetheart rosebud. They wore identical pink pillbox hats with nose-length veils.

Other officers heading the lodge for the new year include Mrs. Laura Davis, vice grand, Mrs. Mae Bond, secretary-treasurer, Mrs. Hattie Brasuel, right supporter to the noble grand, Mrs. Martha Canada, left supporter to the noble grand, Mrs. Bill Taylor, warden, Mrs. Myrtle Cook, conductor, Mrs. Myrtle Wester, chaplain, and Miss Bertha Crow, lodge deputy.

Other officers will be elected and installed at the next regular meeting of the lodge.

Mrs. Brasuel and Mrs. Wester were welcomed at the club meeting after being absent at several meetings. Mrs. Canada was reported ill because of a fall during the early February snowstorm.

It was announced that the lodge members had made 17 sick calls and sent 10 cards since the last meeting.

Flower girls were Toni Allison Masters of Amarillo and Pam Gilmore of Plainview, co-usins of the bride. They wore identical pink dresses fashioned with puff sleeves and full skirts and carried rose petals in pink and white baskets.

Brad and Brock Whitten, twin nephews of the groom, were ring bearers. Candelights were Randy Whitten, brother of the groom, and James Masters of Cordell, Oklahoma, cousin of the bride.

Raymond Whitten served his brother as best man and groomsmen were Jimmy Hill, Warren Whitten, and Jimmy Don Mally. Ushers for the ceremony were Randy Driver, brother of the bride, and Larry Parks.

The church annex was the scene for the wedding reception after the marriage ceremony. The serving table was laid with a pink net cloth over satin and a three tiered wedding cake, topped with a miniature bride and groom, was served with punch.

The groom's parents, Mr. and Mrs. Cecil Whitten, entertained members of the wedding party at a rehearsal dinner Friday evening before the marriage ceremony. Decorations for the party were in a valentine motif.

A 1963 graduate of Memphis High School, the bride attended schools in Sudan and Dimmitt and attended West Texas State University in Canyon where she was a member of the Debate Club and Buffalo Masquers.

Also a graduate of Memphis High School, Mr. Whitten is engaged in farming near Memphis where the couple will reside.

**Mothers-In-Law To Meet Thursday**

The Canyon Mother-in-Law Club will meet Thursday, March 12, at the home of Mrs. J. Roy Davis, east of the city.

Co-hostesses for the meeting will be Mrs. W. I. Wester, Mrs. O. B. Vaughn, and Mrs. T. J. Clement. The meeting will begin at 2:30 p.m.

## ITEMS OF INTEREST TO Women

### Stotts, Gum Exchange Vows In Amarillo February 29

Nuptial vows for Miss Gale Stotts and Royce Gum were exchanged Saturday evening, Feb. 29, in a single ring ceremony performed at the home of the bride's parents, Mr. and Mrs. Tom W. Stotts of Amarillo.

Mr. and Mrs. L. E. Gum of Canyon are parents of the bridegroom.

Rev. Newton Starnes, pastor of the First Methodist Church of Canyon, officiated at the ceremony which was performed before a fireplace altar that was decorated with arrangements of white stock and flanked on each side with candelabra trees entwined with satin ribbon and white stock.

Maid of honor for the ceremony was Miss June Rigby of Lubbock. She was attired in a three-piece suit of tur-

quoise blue with white accessories and complemented with a white carnation corsage.

Walter Cranmer of Canyon served as the best man for the wedding ceremony. Ivan Stotts, brother of the bride, served as usher.

Escorted and given in mar-

riage by her father, the bride was attired in a two-piece black and white suit with white accessories and a white rose corsage. The suit was fashioned with a waist-length jacket featuring elbow-length sleeves and a slim-line skirt.

She complemented the ensemble with a pillbox hat which featured a short nose-length veil.

Immediately following the wedding ceremony, a reception honoring the couple was held in the home. The bride's table was decorated with a large wedding bell centerpiece and candelabra.

Mrs. Mike Myers of Dumas, a former college roommate of the bride, cut the cake and Mrs. Walter Cranmer of Canyon presided at the punch bowl. Guests were registered by Mrs. R. O. Boothe of Amarillo.

The couple will make their home at 1810 16th Merriott Apartments, No. 8, in Lubbock.

A graduate of Amarillo High School, the bride attended Texas Woman's University at Denton, Southwest Texas State College at San Marcos and Daugherty's Business College in Lubbock. Prior to her marriage she was employed with the district attorney's office at Lubbock, Texas and was a member of the Lubbock Legal Secretaries Association.

Mr. Gum graduated from Canyon High School in 1957 and attended Texas A & M College at Bryan, Texas before transferring to West Texas State University where he received his BS degree in 1961. He was a member of Kappa Alpha fraternity at WTSU. He then served two years with the United States Air Force as a second lieutenant.

At present, he is employed as a claims representative for Southwestern Investment Company in Lubbock. He was transferred to the office recently from the companies' offices in Amarillo. While at the Amarillo offices of Southwestern Investment Company he was serving an eight county area as claims representative.

Her assistants include Mrs. Richmond Hales, co-chairman, Mrs. Jim Faulk, Mrs. Alfred Daniel and Mrs. T. S. Stevenson, Jr. Other chairmen and workers assisting with planning and production of the style show are Mrs. Duane Howard, Mrs. Eugene Bonds, Mrs. Charles Smallwood, Mrs. Manly Bryan, Mrs. H. R. Fulton, and Mrs. Lee Roy Wooten.

Pre-show plans include a dress rehearsal on March 5th at 3:30 p.m. in the high school auditorium with all models and chairmen urged to attend.

Tickets for the fashion festival are on sale now for \$1.00 and may be purchased from any club member, or at the door. Several door prizes will be given away at the style show.

## Junior High Class Begins Library Fund

Pennies, nickels and dimes amounting to \$64.15 was presented to the library at Canyon Junior High School last week by a group of eighth grade students.

The library donation was presented to Mrs. Lois Campsey, librarian, completing a month-long memorial project.

Memorial books to be purchased will be dedicated to the late John Bourland, who was killed in a train-pickup accident east of Amarillo during the early February snowstorm. The late Mr. Bourland was the father of Marilyn Bourland, a member of the eighth grade class.

The five section eighth grade class has a current enrollment of 144 students and "we had about a 90 percent participation in the project," says Mrs. Gene Sunderman, class sponsor.

"Several students called me while school was dismissed,

Had a party? Or giving one? Tell The Canyon News about it. Telephone OL 5-2141, or stop by the News office on the west side of the square.

during the show," says Mrs. Sunderman. "The first day back at school the students discussed the project as a suitable expression of sympathy to Marilyn and the Bourland family."

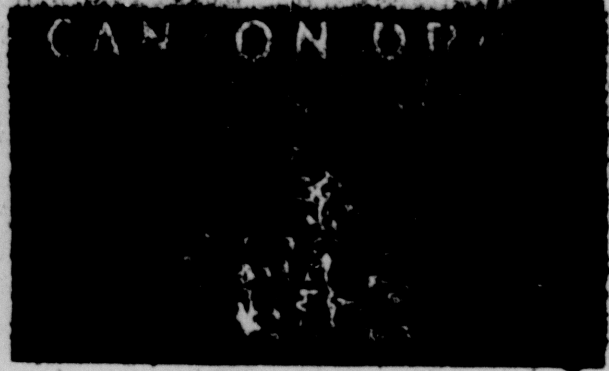

"The boys and girls originated the idea and carried the project out on a voluntary basis," noted Mrs. Sunderman.

A student committee will be selected from the class to assist the school librarian in or-

dering the books which "won't be flash-in-the-pot novels but books or novels that the students will enjoy reading as well as being learning devices for years to come," said Mrs. Sunderman.

Though still in the planning stage, the students have proposed making a rubber book-stamp to denote the memorial books. The book stamp, which will probably be made in art class, is to be presented to the school for stamping future memorial selections.

"We are hoping that this project will be the start of a continuous chain," said Mrs. Sunderman.

All posters entered in the contest will be on display in the capitol area during "Texas Civil War History Appreciation Week", April 20-26.

## Church Ends Study On Southeast Asia

The final study session of the Southeast Asia series sponsored by the First Presbyterian Church of Canyon was concluded last Sunday evening with a family night supper, a special program and style show, and a display of objects of art and handicraft from south Asia.

The family night supper, which was supervised by Mrs. Floyd Kiser, included a "tasting table" with samples of Indian foods including pilau, tarkari, raita, chumey and gajelli. Conventional food was also served at the event. Other assistants for the supper were Mrs. Lewis Tuck, Mrs. Sherwood Blasdel, and Mrs. R. P. Jarrett.

Mrs. George deSchweinitz presented a special segment of the program which was a display of objects of art and handicraft from South Asia. Mrs. deSchweinitz spoke briefly and gave the history of the items that were loaned for the program by Dr. and Mrs. T. J. Leonard, Dr. and Charles Nestor, Mrs. Pete Cowart, Mrs. Harvey Cash, Mrs. Irving Sorrelle and Mrs. K. E. Hines.

A style show of ladies and men's costumes from India and Pakistan was presented during the evening program with Mrs. Pete Cowart in charge. The special showing was narrated by Mrs. Dean Nicholas. Cos-

tumes of the countries were provided by Erin Wertenberger of the WTSU Branding Iron Theater.

Ladies costumes were modeled by the Misses Dena Nichol, Kay Olson, Ann Hamerson, Linda Markham, Susan Williamson, Virginia Williamson, Cruse Olson and Becky Wright. Men's clothing costumes were worn by Roger Wilson, Ricky Wilson, Nick Petrucci, Jim Cowart and Burns Olson. Mrs. Robert Olson served as wardrobe manager for the presentation.

"An unusually large number of people participated in the five-week study group," said Sherwood Blasdel, general chairman for the study sessions. He relayed thanks to those who contributed to or participated in the weekly programs including Rev. Lars Hamerson, Glen Aplin, Mr. and Mrs. Pete Petrucci, Mr. and Mrs. W. L. Smith, Mr. and Mrs. Irvin Williamson, Pete Coward, Borden Price, Wam Moore, Misses Carol Brown, Lil and Lou Ann Cowart, Beth Jarrett, and Mesdames Al Harris, T. V. Reeves, Charles Wright, Wm. Moore, and Miss Darthula Walker.

Miss Mildred Hoffmeister of Ludhiana, Punjab, India, a missionary, was a special guest of the church for a program during the series.

THE STATE OF TEXAS  
To any Sheriff or any Constable within the State of Texas - GREETING:  
You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Randall County, Texas, the accompanying citation, of which the herein below following is a true copy.  
CITATION BY PUBLICATION  
TO: JOHN STEVENSON,  
Defendant, Greeting:  
YOU ARE HEREBY COMMANDED to appear before the Honorable 47th District Court of Randall County at the Court-house thereof, in Canyon, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 20th day of April A.D. 1964, to Plaintiff's Petition filed in said court, on the 12th day of February A.D. 1964, in this cause, numbered 6338 on the docket of said court and styled PAULINE CONNER STEVENSON, Plaintiff, vs. JOHN STEVENSON, Defendant.  
A brief statement of the nature of this suit is as follows, to-wit:  
Plaintiff brings suit for divorce, there having been no children born to this marriage, and no community property accumulated, as is more fully shown by Plaintiff's Petition on file in this suit.  
If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.  
The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and made due return as the law directs.  
Issued and given under my hand and the seal of said court at Canyon, Texas, this 3rd day of March A.D. 1964.  
Attest: Mavis Hill Clerk,

(Continued from Page 1)  
bio-med school of the University of Texas.  
"The application for matching funds is contingent a great deal upon inclusion of the biological areas within the research center."  
Dr. Cornette said establishment of the center could be held up indefinitely if the masters degree program in biology is not forthcoming. He noted that IBM equipment for the center is due to arrive on the campus some time this spring.  
The Commission on Higher Education considers such requests only twice a year, in April and October.  
Emil Rassman, WT local chairman from Midland, made the motion giving approval to submission of the request to the commission. He seconded the motion.  
Mrs. Locky cast the only dissenting vote.  
West Texas State will be getting some \$417,000 in new money some time soon from its share of ad valorem tax money as provided under a constitutional amendment of 1947.  
The money is apportioned among participating institutions each decade. In 1958 the state comptroller estimated the amount of money which could be expected to accrue in the fund by 1968 and participating institutions were allowed to issue bonds or notes against 85 percent of their share of the anticipated fund.  
At the halfway mark, the comptroller has predicted an increase in the fund and now says participating institutions may borrow against 85 percent of the remaining 15 percent and the expected increase.  
A representative of First National Bank of Dallas talked to the board about handling notes on the fund. A committee from the board will discuss the matter with other financial concerns in an effort to get the best possible deal.  
Mrs. Locky strongly suggested that schools under the board's supervision drop courses that have not been taught for the past three years.  
The board adopted a set of construction policies the text of which follows:  
"Any new construction, remodeling, or repair projects in the accrued amount of \$10,000 or more shall be initiated only after a projected ten year expansion and remodeling program (CAMPUS MASTER PLAN) for the entire institution has been developed by a permanent Planning Committee composed of the college president, the comptroller, the dean of the college, the local committee of the governing board, the institutional architect, and the mayor of the city or someone appointed by him who is in no way connected with the college.  
"The Planning Committee shall be a working committee involved in the development and deliberations concerning all aspects of campus improvements. All projects shall be submitted to the full Board with a recommendation by the local committee of the Board.  
"Any request for new construction or purchase of property shall be in accord with the Master Plan and shall be accompanied by a copy of the Master Plan showing the location of the proposed project.  
"Any new construction, remodeling, or repair projects in the accrued amount of \$10,000 or more shall be done based on plans and specifications prepared by a registered architect and shall be done by a contractor based on competitive bids.  
"Requests for new construction or purchase of property shall be submitted with a plat of the Master Plan showing the relative location of the property.  
"On any one campus the use of duplicate construction plans and a declining architectural fee in such cases is encouraged.  
"The use of these provisions are encouraged, but are optional, on projects under \$10,000."  
Regents voted to allow political organizations on the campuses of schools they govern provided a set of 17 rules laid down by the board are observed.  
In other action the board employed James H. McCrocklin as president of Southwest Texas State College. He was named to succeed Dr. J. G. Flowers who is retiring.  
Dr. Flowers was named president emeritus of the school.  
Dr. Arleigh Brantley Templeton was named president of Sam Houston State to succeed Dr. Lowman, who died recently.  
The board went into executive session to discuss hiring the two new presidents. Announcement of the action was made in open session.  
Most of the other business conducted by the board was of a routine nature.

Mrs. Chamberlain was calm during proceedings here until Truett Hull, criminal district attorney for Randall County, read the murder with malice charge.  
"Why murder with malice?" she said, weeping.  
According to officers, the shooting of Chamberlain occurred after an argument about a \$45 check which Mrs. Chamberlain had written.  
Detective Sgt. Walter Head of the Amarillo police, who lives near the Chamberlain home, monitored a police radio call and arrived at the scene before the ambulance.  
He said he found Chamberlain lying on his back on the floor. He had been shot in the chest, and powder burns indicated the muzzle of the death weapon had been close to him when it was fired.  
The shooting occurred, Mrs. Chamberlain said, shortly after she had picked up her husband at his place of work and had taken their three children to school.  
Hull said Tuesday the case will be referred to the Randall County grand jury at its next scheduled meeting on March 25.

bio-med school of the University of Texas.  
"The application for matching funds is contingent a great deal upon inclusion of the biological areas within the research center."  
Dr. Cornette said establishment of the center could be held up indefinitely if the masters degree program in biology is not forthcoming. He noted that IBM equipment for the center is due to arrive on the campus some time this spring.  
The Commission on Higher Education considers such requests only twice a year, in April and October.  
Emil Rassman, WT local chairman from Midland, made the motion giving approval to submission of the request to the commission. He seconded the motion.  
Mrs. Locky cast the only dissenting vote.  
West Texas State will be getting some \$417,000 in new money some time soon from its share of ad valorem tax money as provided under a constitutional amendment of 1947.  
The money is apportioned among participating institutions each decade. In 1958 the state comptroller estimated the amount of money which could be expected to accrue in the fund by 1968 and participating institutions were allowed to issue bonds or notes against 85 percent of their share of the anticipated fund.  
At the halfway mark, the comptroller has predicted an increase in the fund and now says participating institutions may borrow against 85 percent of the remaining 15 percent and the expected increase.  
A representative of First National Bank of Dallas talked to the board about handling notes on the fund. A committee from the board will discuss the matter with other financial concerns in an effort to get the best possible deal.  
Mrs. Locky strongly suggested that schools under the board's supervision drop courses that have not been taught for the past three years.  
The board adopted a set of construction policies the text of which follows:  
"Any new construction, remodeling, or repair projects in the accrued amount of \$10,000 or more shall be initiated only after a projected ten year expansion and remodeling program (CAMPUS MASTER PLAN) for the entire institution has been developed by a permanent Planning Committee composed of the college president, the comptroller, the dean of the college, the local committee of the governing board, the institutional architect, and the mayor of the city or someone appointed by him who is in no way connected with the college.  
"The Planning Committee shall be a working committee involved in the development and deliberations concerning all aspects of campus improvements. All projects shall be submitted to the full Board with a recommendation by the local committee of the Board.  
"Any request for new construction or purchase of property shall be in accord with the Master Plan and shall be accompanied by a copy of the Master Plan showing the location of the proposed project.  
"Any new construction, remodeling, or repair projects in the accrued amount of \$10,000 or more shall be done based on plans and specifications prepared by a registered architect and shall be done by a contractor based on competitive bids.  
"Requests for new construction or purchase of property shall be submitted with a plat of the Master Plan showing the relative location of the property.  
"On any one campus the use of duplicate construction plans and a declining architectural fee in such cases is encouraged.  
"The use of these provisions are encouraged, but are optional, on projects under \$10,000."  
Regents voted to allow political organizations on the campuses of schools they govern provided a set of 17 rules laid down by the board are observed.  
In other action the board employed James H. McCrocklin as president of Southwest Texas State College. He was named to succeed Dr. J. G. Flowers who is retiring.  
Dr. Flowers was named president emeritus of the school.  
Dr. Arleigh Brantley Templeton was named president of Sam Houston State to succeed Dr. Lowman, who died recently.

Cowgirls Victors Over Vega, 59-48

Happy Cowgirls romped to another victory Tuesday night against the Vega Longhorns, 59-48, clinching the bi-district title and a bid to the regional tournament in Canyon this weekend.  
Cowgirls, led by the scoring of Lita Bowe, swept past the Vega girls late in the first period and dominated the remainder of the game.  
Miss Bowe netted 34 points for the tussle with Marcella Irlbeck of Happy dropping in 16 points and Martha Toles scoring seven points. Dixie McGehee of Happy bagged two points during the action.  
The Tuesday night tussle, which decided the Class B bi-district champs, was played in the Tascosa High School gymnasium before a capacity crowd from both home towns.  
In the first few minutes of

the game Vega led Happy 3-2, but the Cowgirls pushed past the Longhorns to lead at the end of the first quarter, 14-9.  
At the half the Cowgirls remained ahead 32-23 after the Vega girls closed a 32-15 gap late in the second quarter.  
Vega was unable to recover from the first half drumming by the Cowgirls and at the end of the third quarter Happy led 49-40.  
Vega attempted a rally in the fourth stanza, but failed to produce enough to overcome the Cowgirls. Lynna Hulsey of Vega made a strong bid to regain power for Vega as she narrowed the score to 56-48 late in the fourth quarter. But the final buzzer sounded with Happy ahead 59-48.  
Happy faces Ropesville Friday afternoon in the Canyon regional tournament. Game time is 4:15 p.m.

The winner of the Ropesville-Happy game will meet the winner of the Roosevelt-Miami game which is to be played at 3 p.m. Friday.  
The winner of that tussle will play at 8:15 p.m. Saturday in the West Texas State University gym.  
The victory Tuesday gave Happy a 29-8 season. Vega finished the season with a 14-9 record. Happy represents district 4-B at the regional tournament.

"Patriotism" Theme Used In 3rd Graders' Program

"America Is My Country," a patriotic program, was presented by third grade students of Canyon Elementary School on Tuesday evening of this week as an integral part of Texas Public School Week.  
The program was arranged and directed by teachers, Mrs. Molly Edwards and Mrs. Alma Perkins, and was portrayed with historic costumes and musical numbers. Mrs. Cortez Dowlen, music teacher, assisted with the presentation of musical numbers.  
A gigantic storybook was centered mid-stage and tableaux of historic events and people of the country were enacted by the third grade students as Doe Nan Musgrave, Mike Rinehart and Susie McMahon sat on a bench nearby looking at a picture book, before going to school.  
The first tableau presented on the program was the Pilgrims with Connie Russell, Raby Ratliff, Tommy Allen and Betsy Huntington enacting the scene while the other students sang "America The Beautiful."  
"Come Ye Thankful People," was sung, as a Thanksgiving scene was presented by Terry Bourn, Thomas Burkhalter, Charles Craig, Donnie Evers, and Patricia Ormsby. Elizabeth Zachry led a litany which had been written by the third grade students.

Corky Barrett and David Hernandez portrayed George Washington and the Cherry Tree as the chorus sang, "George Washington."  
"Yankee Doodle" was the musical accompaniment for the scene depicting the Spirit of 1776. Participating in the program section were Mike Demmus, Doug Fisk, and Jack McClain.  
Scenes at Valley Forge were enacted by Carl Boyd, Donald Grabbe, Tommy Garrison, and Lee Griffin as the chorus sang "George Washington"

"You're A Grand Old Flag" was the musical accompaniment for a presentation of Betsy Ross Making the First Flag. Students in the tableau were Sheryl Bellah, Sue Fischbacher, Donald Grabbe and Diane Harp.  
Stanley Matuza, Terry Jo Reynolds, David May, and Lovanna Strohmeier portrayed a scene of Lincoln As A Boy while the chorus sang, "Abe Lincoln."  
"Battle Hymn of the Republic" and "I Am An American" were musical accompaniment for a presentation of Lincoln and His Family. Students in the tableau were Arthur McCandless, Barbara Allen, Ronnie Johnson, and Eric Murrell.

For a scene depicting Davy Crockett, the choral group sang, "Davy Crockett" and costumed players were Allen Ebeling and Allen Dale Beghtel.  
Miss Kathleen Harter was the Statue of Liberty for the historical pageant. Musical numbers accompanying her part in the presentation were "Give Me Your Tired, Your Poor," and "God Bless America."

Uncle Sam's appearance on the program was in conjunction with a musical dance to "Yankee Doodle Dandy." The dance was presented by Randy Hornsby, Glenn Johnson, Mark McCalla, Bobby Boyett, Luran Fulton, Tana Webb, Iva Jeanne Hill, and Alesia Boyd.  
Following the dance, Uncle Sam, who was portrayed by Cole Lippold, stepped out of the gigantic storybook and advanced to the center of the stage as the students sang, "Stars and Stripes Forever." The audience then stood as the children sang "The Pledge of Allegiance" in conclusion of the program.

Songleaders for the program were Debra Albers, Nancy Boyce, Sandy Cable, DeAnna Holcomb, Kathy Howell, Debbie Maynard, Ricky Sanford, Debra Clifton, Beverly Day, Libby Ewing, Sharon Nickell, Debbie Stone, and Elizabeth Zachry.  
Claire Daughtery and Mary Lou Richey served as guardians of the book during the patriotic program which was "well attended and very inspirational" according to Mrs. Perkins, sponsor.

"This was our second year to present the program, and this year it has made three performances and we may present it again for the school students who haven't seen it," said Mrs. Perkins. Aside from Tuesday evening's performance the program was presented twice at the school for students and their visiting parents during Public School Week.

## Brownie And Girl Scout News

**GIRL SCOUTS AND BROWNIES**  
All Girl Scout and Brownie troops in Canyon are planning a group attendance at the churches of the city for Sunday, March 8, in observance of Girl Scout Sunday and the beginning of Girl Scout Week.

Included in plans for Girl Scout week, is the Father-Daughter banquet festivities on Friday, March 13, at the all-purpose room of Canyon Elementary School.

**Girl Scouts**  
An Easter Egg hunt for smaller children and guests of Troop 2 will be held on Sunday March 22, according to Mrs. Dean Nicholas, troop leader. The 12 girls attending last week's meeting discussed plans for the egg hunt and worked on their social dependability challenges. Penny Warren was hostess for the meeting.

Members of Troop 13 held a short business meeting last Wednesday afternoon and discussed final plans for the Girl Scout cookie sale. The senior scout troop is in charge of contacting the businesses during the spring cookie sale. They will be selling cookies by the case. Thirteen members were present along with their sponsors, Mrs. Alfred Daniel and Mrs. Charles Nester.

Troop 9 met with Mrs. B. J. Ormsby, troop leader, last Wednesday afternoon and worked on couple badges for the sign of the arrow and the sign of the star. They discussed the cookie sale and the events of Girl Scout Week at their meeting. Attending were 19 members.

Ruth Moore is a new member of Troop 7 which met Monday afternoon at the Methodist Church with 27 members present and their leader, Mrs. Keith Jones.

They made invitations for the Father-Daughter banquet at the meeting and elected new patrol officers.

Elected for Patrol leader of Patrol 1 was Fawneil Price; assistant patrol leader, Susie Lair; and scribe, Cathy Albers.

Patrol 2's leader will be Armetha Lindley; assistant leader, Martha Echols; and scribe, Demaris Stevens. Elected for Patrol 3 were Cynthia Byars, patrol leader; Debbie Stover, assistant leader; and Martha Harper, scribe.

Troop 1 met briefly last Thursday afternoon to distribute cookie sales sheets and discuss the Girl Scout cookie sale with Mrs. Billy Hill, troop leader. Eight members attended the business session.

**BROWNIES**  
A pantomime on the History of Brownies was presented Monday afternoon at a meeting of second grade Brownies with their leader, Mrs. Wesley Cox, attending. Miss Sally Nester, senior scout, conducted the meeting and assisted the 12 girls with the pantomime skit and the opening and closing ceremonies. Terri Lee Watson was hostess for the meeting.

Eleven members of second grade Brownies met last Tuesday afternoon with their leaders, Mrs. Bill Taylor and Mrs. Barbara Smith, for a session of discussions on the upcoming banquet for their fathers. Wanda Graham, a senior sc-

out, attended the meeting and the girls played games and sang songs later in the evening. Hostess for the meeting was Nelda Dorough.

The cookie sale was discussed at a meeting of third grade

## North Randall News

Mrs. L.C. Robinson FL6-7050 Mrs. Bill Harp FLS-0026

Mrs. Jap Wilson underwent surgery at Northwest Texas Hospital in Amarillo last Friday.

At the present time, her family is still with her until her condition shows more improvement.

Mr. and Mrs. Everett Johnson have been busy going to Plainview recently to visit with his parents, the Wiley Johnsons.

Mr. Johnson has been hospitalized in the Plainview clinic and his wife is expected to undergo surgery Thursday.

Ronnie Williams spent Friday night with Kevin Allen and they spent the evening working on 4-H projects.

Visiting with Mrs. Cress Norrell Sunday were Mrs. Ray Loftin and Vick.

Recent 4-H meetings have included cooking projects on Nut Bread. Mrs. Ted Allen, 4-H leader, had Annette Robinson and Sharon Allen working on the project at her home.

Saturday, Mrs. Bill Black, 4-H leader, instructed Sharla Dorsey, Melinda Black, Cindy Williams, and Carolyn Bunn in the Nut Bread baking project. Sharon Allen, a junior leader, also attended the meeting.

The Jolly Hobby Sewing Club met in the home of Mrs. Kenneth Tillman February 20 to sew

on pin cushions, perfume balls and toaster cover dolls.

Three new members joined the club at the meeting. They were Mrs. E. L. Gouge, Mrs. Elvis Tyler and Mrs. Vernon Yarbrough.

Refreshments of coffee and donuts were served to eleven members including Mesdames Winston Davis, E. L. Gouge, Walter Quinn, G. A. Stucker, Floyd Thomas, Bill Toler, Elvis Tyler, Vernon Yarbrough, C. L. Shields, R. G. Costley, the hostess, Mrs. Kenneth Tillman, and two club guests, Mrs. Ray Tillman and Mrs. Francis Trimble.

The next regular meeting will be in the home of Mrs. Glen Evans, March 5, at 9 a.m.

Mr. and Mrs. Jerry Hays moved into their new home last week-end. They have two children, Kevin age two and Brian, age 7.

He works for Southwest Public Service Company in Amarillo and Mrs. Hays is employed with Amarillo Savings and Loan Association.

The Don Masterson family attended the wedding of her brother, Michael Kindel, last Saturday night in Childress.

The Masterson's son, Perry, was a candlelighter at the wedding ceremony.

Michael and his wife, Sue, will live in Amarillo where he is employed with Don Master-

son's Landscaping Service.

Mr. and Mrs. Roland Hornsby and family went to Wheeler Sunday to hunt and visited with her mother, Mrs. Essie Mitchell.

The Gene Davises were in Clarendon over the week-end to visit with her mother, Mrs. C. B. Roberts.

Recent visitors in the Gene Davis home were Mrs. Hattie Roberts, Miss Alice Roberts and Miss Ethel Roberts, all of Sweetwater.

Don Edmondson and Danny Moore are suffering with sore muscles this week after a day's bicycle trip to Camp Don Harrington last week-end.

The long bicycle hike was part of the requirements for their Boy Scout badge work. During the trip, they took a variety of pictures and had their lunch for a picnic.

## Firemen Answer Three Fire Calls

Canyon firemen answered three minor fire calls last week.

Two calls were made Thursday afternoon by the volunteer firemen. The first one was at a residence at 1903 Second Avenue. Minor smoke damage was reported.

The second one was a grass fire at Consumer Elevator.

Saturday afternoon firemen answered a grass fire call on the R. B. Allen farm south of Canyon.

## Cool-Headed Allen Pilots Eagle Win

BY JOHN SHIELDS

An alert, cool-headed coach watched his team fall behind, 9-1 in the opening minutes of a contest at the regional basketball tournament.

This game was important. It was for the right to advance into the finals to decide a state representative for Region I in Class AA.

A spectator could see the concerned look on the young coaches' face. It was evident that he was in deep thought—how to pull his club from the eight point deficit.

This all-important first period might be the turning point as to who would win the game.

With the clock showing 5:40 left in the opening period, the coach—Allen Simpson of Canyon—signaled for the clock to cease.

Only the players, managers and Simpson know what was said in the huddle during the time out.

It is of no importance to us, the public. But to the Canyon

## Pancake Day Again This Year

Pancakes will be on the grill again this year for a full day of eating enjoyment.

And all sponsored by the Canyon Kiwanis Club for local residents.

The big day is March 28 when pancakes will be served all day long in the American Legion Hall in Canyon.

From 6 a.m. to 8 p.m. Kiwanians will cook and serve home made pancakes. This will be the second annual pancake day in Canyon.

Tickets are on sale from any member of the Kiwanis Club for \$1. Pre-school children will be admitted free of charge.

Money made from the day-long event will be used by the club for their children's projects.

Eagles it evidently meant the difference in the contest. Because they came back to take a 13-11 lead. From there on, they were never headed.

Result: a 53-45 win over tournament favorite Anson.

The city of Canyon can be proud of their coach. He has never shown an outburst temper. He never shouts at his players. He treats them with the respect they well deserve.

This is surely one of the main reasons the Eagles headed for the state tournament for the second consecutive season.

So here's a salute to Coach Simpson and his cagers.

Good luck at Austin!

## H. Bright Composition Featured

A new choral composition, commissioned by the Roswell High School Mixed Chorus, and its director, Joe Carroll, has just been completed by Dr. Houston Bright, Professor of Music and Director of Chorus at West Texas State University.

Carroll is an ex-student of WTSU and one of Dr. Bright's choir alumni.

Entitled, "Watchman, What of the Night," the Roswell commission is a setting of portions of the 22nd chapter of Isaiah and Psalm 127, a favorite scriptural passage of the late President Kennedy.

Scored as an antiphonal work for full choir and semi-chorus, it will be premiered by Carroll and the Roswell Chorus on their Annual Spring Concert early in May of this year.

Dr. Bright, who has over 40 published works to his credit, is a member of the Texas Composers Guild and the American Society of Composers, Authors, and Publishers, more familiarly known as ASCAP.

## Wallace Franklin Paced Scoring Attack For Frosh

Wallace Franklin of Lamesa took scoring honors for the West Texas State University Stomper with a 17.4 average.

He had 251 points for the 15 games.

The Stompers finished with an 8-7 record.

Ted Wheeler was second with a 16.9 average. He connected on 84 of 196 attempts for 43.3

96 tries for 51.0 per cent. Franklin connected on 69 of 98 tries from the free throw line for 70.4 per cent.

Wheeler led in rebounding with a sparkling 12.2 average.

The Stompers shot 40.9 per cent as a team from the field, connection on 426 of 1,040 attempts. From the charity line they hit on 297 of 482 tries for 62.0 per cent.

It was a successful season for Coach Fred Cawthon and his Stompers.

There will be some fine talent advance to the varsity squad from the freshmen team next season.

## Mrs. Wesley Club Hostess

The Tongue and Thimble Club met with Mrs. J. W. Wesley last Friday for an all-day meeting and quilting bee.

A covered dish luncheon was served at noon with the business meeting conducted during the afternoon.

Mrs. Edna Wilson won a gift in the drawing.

The next regular meeting will be Friday, March 6, at the home of Mrs. Grace Schaeffer. It will be an all-day session with a covered dish luncheon at noon and a business meeting. Club members and guests are invited to attend and bring some handwork to work on during the fellowship sessions.

Attending the last meeting were Mrs. Madge Sutton, Mrs. Annie Read, Letha Patterson, Mrs. Ora Evans, Mrs. Grace Schaeffer, Mrs. G. E. Wesley, Mrs. Edna Wilson and the hostess, Mrs. Annie Wesley.

Mrs. Joan Castleman spent Monday and Tuesday in Borger visiting with Mr. and Mrs. Jimmy Lytle. Mrs. Castleman was accompanied by her son Gary Lynn during the visit.

Trophies picked up by the West Texas State University junior livestock judging team at the Houston Livestock Show, are displayed by the team. Seated are Enny Fuston, Charles Dooley, Carl Lee Kemp, R. L. Robbs, Phillip Pinnell, and standing, Roy Dee Gregg. Coach Don Beerwinkle, center standing, was assisted by Bobby Hanna, right.

OLIVE VANDRUFF BUGBEE, curator of art at Panhandle-Plains Historical Museum, looks over the nearly finished decorative map of the Panhandle which she has made for First National Bank of Amarillo. Map shows organized counties, post offices, railroads, towns and stage routes as they existed around the turn of the last century.

## Ruling Awaited On Dorm Telephones

Decision on a proposed new telephone system for West Texas State University residence halls had not been reached Wednesday as authorities continued to study results of a student vote on the plan.

As outlined by Dr. Paige Carruth, dean of men, the proposal calls for installation of a telephone in each dormitory room. Cost of the service would be \$10 per student per semester, as compared with the

present fee of \$3.50 for limited service, particularly in the older residence halls.

Cost of installing new switchboard equipment would be borne

## Dr. Bright Conducts 2 Clinics

Dr. Houston Bright, member of the music faculty at West Texas State University, has been engaged to conduct short clinic sessions next week with the choirs of two schools of the Golden Spread.

On Monday, March 9, Dr. Bright will be guest clinician and conductor at the annual Guyton High School Choral clinic, where he will spend the day rehearsing three choral organizations, concluding with a public concert in the evening at the high school auditorium. Director of the Guyton High School Chorus is Mrs. Juanita Davis.

Dr. Bright will also be the guest of the Tascosa High School Choir on Tuesday, March 10, according to the choral director, Bill Cormack. During the regular rehearsal period beginning at 12:30 p.m. Bright will assist the Tascosa Choir in applying the finishing touches to his chorus, "Three Quatrains from the Rubaiyat," which the group will perform the following week at the choral contest in Canyon.

Mr. and Mrs. T. J. Curley Myers and Mr. and Mrs. C.F. Reynolds have returned from a two week fishing trip to Corpus Christi where the "weather was choppy, and the fishing fair," according to Mrs. Myers.

"When we left Canyon, the snowstorm had just begun in earnest, and we saw snow spots until we were about 50 miles from Corpus Christi,"

by Southwestern Bell Telephone Co.

As listed by Dr. Carruth, the residence hall vote on the system showed an over-all total of 60 percent of the affected students favor the system, while 40 percent are against it. Seventy percent of the men students voted for the change, 30 percent against it.

The vote of the women students was evenly divided--50 percent for, 50 percent against. A total of 555 men students and 518 women students participated in the poll.

Dr. Carruth said results of the poll have been referred to President James P. Cornette and Comptroller Virgil Henson for study and final decision. Decision is expected later this week, he said.

## Korean Student Speaks

"Missionary dollars are more important than foreign aid dollars," says Sung Jae Chyo, a native Korean, who spoke Sunday evening at the First Christian Church of Canyon.

Chyo is a sophomore student at West Texas State University where he plans to acquire the Masters degree before returning to his homeland. Chyo related experiences and comments about his country as he spoke for the School of World Outreach at the local church.

The missionary program has contributed much to Sung Chyo's country "and we are making great progress at improving it," says Chyo.

The missionary brought better ways of grooming and dressing and better tools for working. Missionaries set up schools and began education of the people, they brought modern medicines and hospitals, "and have caused a change in the social life of Korea," commented Chyo.

"Until the missionary came, no girl was thought worthy of education," says Chyo who stated that he thought women would be the teachers for the next generation of Korean children. "When I go back to Korea," he said, "I will teach the men that women should have a status in the country. We must be willing to change our ways when we find that they are wrong."

Chyo's speech was held in conjunction with a School of World Outreach being sponsored by the First Christian Church of Canyon. Sunday evening, March 8, a program of colored slides taken on a recent round-the-world trip made by Mr. and Mrs. J. W. 'Bill' Cox will be presented along with a speech on their impressions of India by the Coxes.

Classes for all ages will precede the special assembly, which will be followed by a fellowship period with refreshments. The public is cordially invited to attend the program.

# Mrs. Virgil Henson Gives Heavenly Lemon Pie Recipe

BY LORENA MILLER

Heavenly Lemon Pie is a favorite recipe of the Virgil Henson family and is being shared with our readers this week by Mrs. Henson.

"I would like to emphasize the importance of not being 'just a housewife' but rather the privilege that it is to be a wife and mother," says Mrs. Henson, mother of two daughters.

Known as Ruth by her friends, Mrs. Henson was raised near Commerce, Texas, and after receiving her high school diploma, she became a student at East Texas State Teachers College. She majored in home economics and later taught elementary students for four years.

Her husband, Virgil, received his BA degree from East Texas State Teachers College and taught school for one year. He assumed the duties of assistant business manager at West Texas State University in 1936.

The Hensons were married in 1937 and have lived in Canyon since that time. Mr. Henson, who has been assistant and business manager at the University for about 28 years, completed requirements for his masters degree at West Texas State. At present, he is controller at the university after being appointed to the position last September by the board of regents.

During their early years of marriage, the Hensons bought a small home in Canyon and when their two daughters, Beverly and Marian, began growing up they started making plans and blueprints for a larger home that was suited to their needs.

The family residence at 2406 5th Avenue is the "result of 10 years of planning and ideas," according to Mrs. Henson. The three bedroom home was built in 1950 after the couple had constructed a miniature model of their blueprint and completed it with doll furniture and other major items of furniture "so we could see the way it would look and how it could be changed and arranged with various furnishings and their placement," says Mrs. Henson.

An entry hall with wood paneling lends a formal atmosphere to the large livingroom which is complemented with a picture window and woodburning fireplace. Adjoining the livingroom is a dining room and a spacious U-shaped kitchen, finished in white and pastel tones with a domestic vitality. Mrs. Henson's family is often treated to special food dishes and desserts that she fixes in a constant effort to find new and different ways of preparing food. "I always like to try out a new dish on the family before serving it to guests," Mrs. Henson noted.

A family den, located adjacent to the kitchen, is the central spot of family gatherings and a scenic painting of western scenery, with adobe pueblos as the central feature, is displayed on the wood paneled walls. The painting was done by the Henson's daughter, Beverly. It is one of several such paintings that are used in decorating the Henson home.

Andirons, a flat-iron and poker are family heirlooms that have been handed down to the Henson family through her relatives. The fireplace items of a by-gone era are in prominent use when the fireplace in the den of the Henson home is lit on a cool winter evening.

"My spare time hobby is books and I like to read a complete variety," says Mrs. Henson. She also enjoys the art of sewing and the trait has extended to both of her daughters, who like to sew and were adept with the needle and thread during their high school home economics courses.

Beverly, now Mrs. Allen Hanks, is a graduate of Canyon High School and West Texas State University. She was an honor student at the high school and was named to all-state choir for two years. She received her BA degree in English at WTSU, where she was a member of Kappa Delta Pi, honorary education fraternity; Alpha Chi, national honor society; and was named to Who's Who in American Colleges and Universities.

Beverly, and her family live at Las Vegas, New Mexico, where he is a candidate for his doctor of philosophy degree in bio-physical chemistry at New Mexico Highlands University. Allan was a member of Alpha Chi and Who's Who in American Colleges and Universities at West Texas State University, where he received his bachelor's degree and was the recipient of a national defense education fellowship grant for further study in his field. He is the son of Mr. and Mrs. John V. Miller of Canyon.

Craig, 2 and a half years, and Denise, 8 months, are children of the Hanks family. Last week, Mrs. Hanks and children spent a few days visiting with "mama and granddaddy," and Craig took time out from playing with his toys to view a special quilt.

The quilt, which was started as a baby blanket, is being made by his grandmother and Mrs. J. W. Norvell. "Since it wasn't completed while he was a baby, I decided to make additional quilt blocks and fix it for his youth bed," comments Mrs. Henson.

Family entertainment at the Henson home often involves an evening of games such as dominoes or cards, and afternoon picnics. "We have guests visiting often and my daughter, Marian, assists with hostess duties at such functions," said Mrs. Henson.

Marian is an English major at West Texas State University where she takes an active part in the Baptist Student Union and is a member of Mary E. Hudspeeth honor society. She also graduated from Canyon High School after achieving scholastic honors and serving as editor for the school yearbook, Soaring Wings.

"Marian's charm bracelet of high school events was a gift from us at Christmas one year," said Mrs. Henson. The unusual bracelet has club pins and other trinkets significant of Marian's active part in school life. The pins include state and area offices in the Future Homemakers of America, Thespians drama club, the student council, national honor society, and other awards for typing and one act plays.

"School teachers are prevalent in my family," says Mrs. Henson, "my sisters and brother and their husbands or wife all have college degrees and have either taught or are teaching at present."

Mrs. Henson, the former Ruth Wiggs, is the daughter of Mr. and Mrs. C. B. Wiggs of Commerce, retired farmers. She has three sisters and a brother. Her brother, Aubrey L. Wiggs, is a former school teacher and presently works with an oil company at San Juan, Texas. His wife teaches in high school.

Her sisters include Mrs. A. W. Mershel, a former English teacher, who lives in Mount Pleasant, Utah where her husband is an instructor and chaplain at Wasatch Academy, a Presbyterian parochial school; Mrs. James Clark of Commerce whose husband operates a men's clothing store; both are former teachers; and Mrs. W.W. Grayson who teaches history at Henderson Junior College near Trinidad, Texas. Her husband teaches in high school.

Mr. Henson, who was raised in Commerce, has a family of five brothers and one, Dr. Elmer D. Henson, is the dean of Bright College of Bible, a branch of Texas Christian University. His other brothers are Merritt Henson of Goldsmith; Harley Henson of Midland; Melvin Henson of Commerce; and Nolan Henson, Sr. of Oklahoma City, Oklahoma. Nolan Henson, Jr. of Canyon is a nephew of the Hensons.

Aside from other duties of the home, Mrs. Henson is a member of the Sue Hite Study Club and the Merry Maids and Matrons Club. She also teaches a Sunday School class for teenage girls at the First Baptist Church, where the Hensons are members.

Heavenly Lemon Pie is the recipe that Mrs. Henson selected to share with our readers this week and it is a family favorite. "The pie is excellent to serve for guests, or just family and should be made the day before and chilled until dinner time," says Mrs. Henson. The recipe follows:

**Heavenly Lemon Pie**  
For Crust:  
1 cup sugar, granulated  
1/4 tsp. cream of tartar  
4 egg whites  
3 Tbsp. shredded coconut

Sift: 1 cup of sugar with cream of tartar. Separate eggs and beat whites with hand or electric beater until they stand in stiff, not dry peaks. Slowly add sugar, beating constantly, until meringue makes very stiff, glossy peaks.

Spread over bottom and up the sides of a well-greased 9 inch pie pan. Cover bottom of pan with about 1/4 inch and make sides about 1 inch thick with meringue crust. Sprinkle top rim with 2 Tbsp. coconut. Bake at 275 degrees for one hour, it should be a light golden brown.

Place a small baking dish with about one tablespoon of shredded coconut in oven, while cooking crust. The toasted coconut will serve as a garnish for the completed pie.

**Pie Filling:**  
4 egg yolks  
1/2 cup sugar  
3 Tbsp. grated lemon rind  
1/8 tsp. salt

Beat yolks lightly in double boiler and add sugar, stirring constantly. Add other ingredients and cook, stirring, over boiling water until thick. Set atop the cooled meringue and fold into custard when cool. Pour into the cooled meringue shell, making sure that all air pockets are filled. Smooth the top.

Place in refrigerator and chill for at least 12 hours, preferably 24. When ready to serve top pie with spoonfuls of unsweetened whipped cream (1 cup) and sprinkle with a tablespoon of coconut which was toasted while crust baked.

A sprinkling of strawberries will lend a party touch and color to the dessert and may be placed atop the whipped cream frosting.

Whip 1 cup of whipping cream

**Amateur Nite For Youth Group**  
Amateur night for the junior department of the First Baptist Church of Canyon will be Friday evening, March 6, at the Assembly Activities Building, northwest of the city.

Mrs. Roy Lyles is superintendent for the department. The youngsters are to meet at the church at 6:30 p.m. and transportation will be furnished to the party site by Mrs. Lyles and her co-workers.

## Mrs. Sally Pulley Texas Exes Prexy

Mrs. Sally Pulley was elected president of the Texas Exes at a luncheon and get-together for University of Texas graduates last Sunday afternoon.

The buffet luncheon was held at the Trail Restaurant, south of Canyon, with 27 ex-students from the city and their guests attending.

Walter Knapp, state representative from Amarillo, was

a special guest speaker for the occasion. Knapp is also a graduate of the University.

George Dowlen, retiring president of the organization, presided during the business session as guests and ex-students were presented with bumperstickers from the University.

It was announced during the business session that a booklet on the nation's No. 1 football team, University of Texas, is available. For further information on the pictorial booklet contact Mrs. Ross Richardson, OL 5-2085. The booklets are being sold for \$1.50.

Other officers elected during the business session were C. E. Thompson, vice president; Mrs. C. A. Murray, treasurer; and Mrs. Robert Richardson, secretary.

During the luncheon, ex-students attending the luncheon introduced themselves and stated the years that they were students at the University of Texas. Noted among the ex-students were Dr. J. A. Hill, president emeritus of West Texas State University, who attended the University of Texas in 1897 and received his degree in 1902; and Mrs. C. R. Burrow who graduated from the University in the early 1900's.

Happy junior high students will present four 1-act plays in the Happy auditorium with Carroll Killingsworth, principal and speech instructor, leading the youngsters. Seated are Dwain Grantham, David Womack and Sara Cur-

ry. From left to right around the piano are Jerry Don Danner, Linda Lewis, Elizabeth Payne, Bernie Cox, Levon Harmon, Bobbie Dee Todd, Janie McManigal and Martha Sabedra.

## Box Supper Sunday In Umbarger

A box supper and candidate rally will be held Sunday evening, March 8, at St. Mary's Parish Hall in Umbarger.

The event, which is being sponsored by the Umbarger Parent-Teacher Association, will get underway at 7:30 p.m. with a box supper to be followed by the political rally for candidates contesting in local county elections.

A talent show with local residents presenting musical numbers, accordion and guitar, pantomimes and comedy acts will be presented as the evening's entertainment. Prizes will be awarded to the talent show winners according to Mrs. Vince Ramaekers, chairman for the talent show.

The most decorative box at the supper will be named and the lady who prepared the box and its contents will be awarded a prize according to Mrs. Ramaekers. The boxes of food will be sold at auction for the supper with each woman or girl above the seventh grade urged to provide ample supplies to feed two.

Children, in or below the seventh grade, may bring decorated boxes if desired. The children's boxes will not be sold but may be exchanged at the event.

ducted the band. Donald Black, director of bands at Amarillo College where the festival was held, said the annual event was held to recognize senior musicians from area high schools.

Recent guests in the home of Mrs. Josie A. Combs have been Mr. and Mrs. C. A. Barker, Mr. and Mrs. Joe Allred and Mrs. Willy McLain, all of Amarillo.

The C. V. Lowe family of Amarillo spent last Sunday and Monday in Canyon as houseguests of Mrs. Combs.

# Happy Jaycees Presented Charter Saturday Night

"This is one of the largest clubs in Texas, population percentage wise," said Pete Wright, state vice president of the Texas Junior Chamber of Commerce.

Wright was the guest speaker at a Charter Nite banquet for the Happy Jaycees last Saturday evening at the cafeteria of Happy High School. "Where will you go with our world," said Wright during his speech as he pointed out the purpose of the Jaycee organization as a training ground for leadership of young men of a community, state, nation and world.

Richmond Payne was installed as the president of the newly chartered club by Bill Rogers, state director of Region 1-A, who commented that "he had attended 10-15 charter nite banquets in the last five years and had never been to one with 50 members before."

The Happy Jaycee club was chartered with 63 active members and 10 associate members, members younger or older than the club age, 20-35. Other officers installed were Wendell Sims, vice president; Reed McDonald, secretary; Bob Henry, treasurer; and club directors, Bob Weatherly, Al Murdock, and Charles Walker.

Bob Wilkinson of Canyon served as the master of ceremonies for the evening program which included the invocation by Rev. Travis LaDuke, group participation in the Jaycee Creed which was led by Charles Marshall of Canyon and the Pledge to the flag which was led by Dwain Walker of Happy.

Dr. G. L. Robinson, mayor of Happy, gave the welcome address for the banquet festivities which were attended by over 200 with representatives from Jaycee clubs in Amarillo, Borger, Dumas, Hereford, Pampa, Tulia and Canyon, as guests.

Richard Pruett, president of the Canyon Jaycees, spoke during the banquet program and commended the Happy Jaycees for their large membership and spoke briefly on points that the Canyon Jaycees encountered while extending the Happy club.

Richmond Payne, charter president of the Happy Jaycees, gave the response to Pruett's talk and commented on his outlook for the new chapter and invited banquet guests to present suggestions to the chapter for projects and betterment of the community.

Payne was presented with a Jaycee's president pin by his wife, Martha, during the banquet festivities.

Charter members of the Happy Jaycees include Richmond Payne, Wendell Sims, Reed McDonald, Bob Henry, Bob Weatherly, Al Murdock, Charles Walker, Ervin Wilson, Jerry Baker, Bill Tirey, L. J. Carver, S. R. Cole, Don Magness, Gene Shipman, Dean King, Bobby Odom, Carrol Sims, Ray Hupp, James Johnson, Billy Andrews, Wayne Cope, Jerry Dastman, Vonnie Fields, Jerry Harvey, Reggie Johnson, Lloyd Venhaus, D. ## Davidson Elected Treasurer

Jerry Davidson, West Texas State University student, has been elected treasurer of the WT Circle K organization, according to Jim Allison, president.

John Eder was named secretary pro-tem at the election meeting recently.

Davidson will also run as a candidate for lieutenant gover-

nor at the annual Texas-Oklahoma District Circle K convention to be held in Beaumont April 3-5.

Approximately 18 boys are expected to attend the convention from the Canyon chapter.

Plans are being made for a spring retreat to be held in Canyon the last weekend of April. The retreat would include members of Circle K clubs from Texas Tech, Panhandle A & M, Frank Phillips Junior College, South Plains Junior College, Amarillo College, Lubbock Christian College and WT.

## Birthday Calendars Available

Who has a birthday today or tomorrow or next week? Canyon band parents have the answers on 50 extra birthday calendars.

Orders for the special calendars were taken last fall by members of the band parents. The calendars came in last week.

Woody Hobbs, president of the association, said 50 extra calendars were sent with the order and they are on sale for \$1 apiece.

To get a calendar call Hobbs at OL 5-4054 or Lee Boyd Montgomery, band director, at OL 5-2264.

Band students netted \$97.80 recently when they worked sto-

cking groceries and sacking groceries for Bellah's Super Market. Girls sold sandwiches during the day-long project. The Band received a percentage of the gross sales for the day they worked.

## Wylie Bagley On Carrier

Wylie R. Bagley, chief shipfitter, USN, son of Mr. and Mrs. W. K. Bagley of Canyon, is serving aboard the nuclear powered attack aircraft carrier USS Enterprise, operating out of Norfolk, Va.

Enterprise departed Feb. 8 for her third tour of duty with the Sixth Fleet in the Mediterranean area.

The ship will visit several ports on the shores of the Mediterranean during her tour of duty with the Sixth Fleet.

## Chamber Of Commerce Corner

Three months ago the nominating committee of the chamber was having a hard time trying to get someone on the ballot to serve as board member for this year. I was approached on this subject and was told that they were going to have to start over. I thought for a moment and asked, "How long has it been since I last served? It doesn't seem very long to me." I was told that it had been ten years. This brought back memories of 1954 which was my third year on this board and was chairman during that year and was the year of working for the Expressway and City Park. Yes, it was a hard year's work at high pay. I finally

**COOPER'S MARKET**

answered, "yes, but it has only been a little over three years since I was talked in to being Mayor and if you didn't know it; that was a rough assignment. That was 1958 and the city was broke." Their reply was, "yes, but we need someone with experience." I thought for a moment and answered, "Well, I guess if I am going to continue to live here; that I had to help and actually a person only gets out of life what he puts into it." I was put on the ballot and to my amazement was elected and then put into chairmanship again.

I started out beating the bushes to see what the members thought that I could accomplish. I was at low ebb and it seemed that many others had the same attitude. Everyone was talking about what cities around us were getting and we were doing nothing. During the last three months I have attended several banquets and talked to many in our town and county. I have had three board meetings and met with several committees. I have never heard so much dissatisfaction and so many different types of professions blaming each other for their fail-

ures to make and save any money.

It has been an inspiration and I didn't realize how pessimistic I had been and how little I knew about what was going on and how times were changing. It reminds me of the story I heard about a farmer. The rapid rise in cost of living has many people not only puzzled but worried. It is hard to understand all of the factors which lie behind an increase in commodity prices. A farmer was once asked why it is that food is going up in price. He replied by saying, "When a farmer has to know the botanical name of what he grows, the entomology name of the insect which tries to destroy it and the pharmaceutical name of the stuff to spray it with, somebody's got to pay for it."—Maybe the whole trouble is that everybody knows too much, and doesn't earn enough.

There seems to be more talk of the 'problems' than of the opportunities brought about by this changing times. We seem to have a hard time telling which is knocking—opportunity or the keeper of the poor house. Also too many people are thinking of security instead of opportunity. We seem to be more afraid of life than death. I would like to sell you on the idea that opportunity stands to benefit enterprising individuals and most of the problems fall upon some level of government; thereby becoming the concern of all persons. We are an educated people and with our growth many young and old alike will come up with something that will help all of us build a better town and county, and good community is only as good as how well that you can make a living in that community.

In 1962 Texas population passed the ten million mark, continuing the steady rise of more than a century. Today 75% of all Texans live in 21 cities of this state. 50 years ago only 24% of the population was urban. We live in one of the 21 metropolitan areas. The Amarillo area is 9th in effective buying income of these 21 areas of Texas. The Lubbock area is tenth and we both join to make this one of the greatest and rich areas of Texas and comparable to most in the United States.

In the 21 cities of Texas which has 75% of the people living there, comprises 29 counties of which we are one of them out of 254 in the State. Over half of the counties in Texas, 143 to be exact, during the last 13 years have shown a decline in spite of an increase of nearly two million for Texas as a whole. Some of the factors causing this changing trend has been:—Agriculture mechanization, industrialization, Federal defense spending and army bases, migration from rural areas by young people, higher birth rate potentials and lower death rates, and natural resources. These areas are expected to increase another 5% during the next ten years when it is predicted that 80% will live in these 21 cities.

Some of these cities have been described as strip cities which are growing along expressways connecting population centers and in some of the strips are expected to grow over 41% in the next 7 years. Canyon is not on an Interstate route but we are connected to Amarillo with an expressway and are expected to

grow just as Irving, Garland, Grand Prairie and Arlington have grown around the Dallas area.

In counting our blessings let me point out how we rate with the 26 counties in the Texas Panhandle. Randall County is 2nd in population, 2nd in highest average income per person in Texas, 2nd highest in Texas with least unemployed, highest average school years completed in State for number of school years completed for persons over 25 years of age, 2nd in total income of 26 counties in top of Texas, 4th in manufacturing values of this area, 5th in retail sales, 6th in number employed, 6th in total wages paid, 7th in farm income, 8th in wholesale sales.

We have many other blessings to count and at the head of this list is the greatest people in the world, we have the highest percentage of people owning their own household. The highest percentage of ages 14-17 in school and the smallest percentage of foreign born. Our climate is also the best showing the smallest loss of labor due to weather—360 days of flying weather—sunshine over 70% of the time—good average breeze and wholesome air and best average temperature with low humidity. We are the recreational area of the southwest great plains area and educational center of the area. We have an abundance of water and a great potential supplier for agriculture and livestock products for large cities over the southwest.

We now have an estimated population of 6,755 people and during the last 23 years have grown to over two and one half our size, in 1940. Our county has grown from 7,185 to a now estimated 41,430 which is nearly six times larger. Let's look around and see where nearly half of our neighbors have lost from 100 to 5,000 people during the last 20 years.

Yes we have many things to be thankful for; so let's invest in our community and get sold on where you live and invite others to move here and make this the best in the nation. I will close with this thought: "IN A DEMOCRACY WE DO NOT HAVE SECURITY. WE HAVE ONLY OPPORTUNITY." Charles E. Donnell

## W.S. Rice Dies In Hereford

William S. Rice, father of Don Rice of Canyon, was found dead Wednesday of last week at his home in Hereford.

Mr. Rice, 56, was born December 24, 1907 in Denton County and moved to Deaf Smith County in 1925. He was a retired farmer and a member of the Baptist Church.

Funeral services were held last Friday morning at the Rose Chapel of Gilliland Funeral Home in Hereford. Burial was conducted at West Park Cemetery, Hereford, with Gilliland Funeral Home directing arrangements.

He is survived by two sons, Don, of Canyon, and William of Marshallville, Missouri, and eight grandchildren.

# Dial "H"

For

Happy

By Janie King

V.I.P.  
You won't be able to find the V.I.P. this week in the "yellow pages" under the name he goes by—you will have to look for initials, "H. E."; last name "Maynard"; now you know: "Pat" Maynard. Pat is a farmer and cattleman who lives five miles south of Happy with his wife Ruth and their three sons, Richard Mark who is sixteen years of age; Glen Taylor who is fourteen; and Don Wayne who is twelve.

Pat was born in Happy and has lived around here most of his life, except when he was stationed in California while in the service. He is the son of Mrs. Bob Cresswell, of Red River, New Mexico, and the late Hurley Maynard. He celebrates his birthday on January 23, is 5'9" in height, has "blue eyes and bald hair" (he said it; I didn't! That's a quote.) He is a graduate of Happy High School. His wedding anniversary is April 7, 1946.

His favorites include the color red; steak to eat; Alfred Hitchcock Hour on television; actor, John Wayne; and for a pastime, he prefers talking. He dislikes hearing "I told you so" after something comes to pass, by someone who previously had not expressed opinion on the subject.

Pat is a deacon in the First Baptist Church; he is a Mason and holds the 32nd degree and is a Past Master. He is the youngest and oldest member of the schoolboard; youngest in age and oldest in service, having served six years. He is presently running for his third term on the schoolboard. He is a strong supporter and fan of all sports and school activities.

Miss Bonnie Starker, daughter of Mr. and Mrs. Bernie Starker, has been seriously ill in a hospital in Dallas, but is improving. Mr. and Mrs. Starker went to Dallas to be with Bonnie.

Mrs. E. E. Sims was hostess, on February 22, of a luncheon and baby shower for Mrs. La Velle Phifer, of Lubbock, who at that time was expecting a call at any time to go to Fort Worth for the baby they were waiting to adopt. (On Wednesday night, February 26, they received that call and drove to Ft. Worth Thursday morning to get their son! Word is that he'll be named Greg.) Now back to the shower: it was a covered dish luncheon, with turkey as the main dish. Those attending in addition to the hostess and her daughters, Sara and Mary Ann, were Mrs. A.C. Miller, Mrs. George Cook, Mrs. George Rahlfs, Mrs. O. H. Rahlfs, Mrs. Johnny Miller, Mrs. Jim Gurley, Mrs. Sam Chechourka. Out of town guests were Dot Phoenix and Alma Duncan of Brandon, Manitoba in Canada; Mrs. Tommy Womack of Widorado; Mrs. Otis Harman of Canyon; and Mrs. May Stone and Mrs. Don Sulton of Amarillo. Others of us would like to add our good wishes to those of the above for Mr. and Mrs. La Velle Phifer and son.

Mrs. Dale Whitlow, Mrs. Robert Lee, and Mrs. Pete Whitlow were among those attending the Fred Waring Show, in Amarillo at the Municipal Auditorium, Wednesday night, February 26.

Mr. and Mrs. Bill Vernon and boys were in Oklahoma City last weekend to visit with her parents, Mr. and Mrs. Roy Fulmer.

Our sympathy to Mr. and Mrs. S. N. (Moon) Wright upon the passing of his brother, Cary Darden of Taft, California. Mr. and Mrs. Wright will be in California a week.

Mr. and Mrs. Al Murdock, owners of the 87 Cafe, were in Amarillo Monday night, February 24, where their daughters, Tanya who is eleven years of age and Karen who is nine, were in a Skating Show at the Eastway Roller Rink. Proceeds from the show went to the Heart Fund.

We received some additional information of considerable interest on the F.F.A. trip to Abilene to the Winter Duroc Congress and Livestock Show, February 22 and would like to give it to you. Out of a possible 250 points, Jim Allison scored 243; Jim McManigal scored 233; and Joe Johnson scored 230, giving our team a total of 706. Jim Allison was the fourth-high individual at the show. Others from Happy who attended were Dan Rahlfs, Ed Wright, Johnny Zachry, Bob Robinson, and Jerry Don Danner; and Mr. O. H. Rahlfs, Mr. Larry Tackitt, and Mr. Morlan McManigal. Bilt Rite Farms, owned by Larry Tackitt and O. H. Rahlfs, showed the Champion open gilt, which sold for \$610 to Ed Heitman of California. Morlan McManigal showed the second group gilt which sold for \$115 to Roy Ward, of Amarillo.

Ed Wright and Gary Culp were among those viewing the West Texas State University basketball game Thursday night.

The home of Mrs. Kate McManigal was the scene of a "Stork Shower" honoring Mrs. Darlene Tennison. Other hostesses for the occasion were Anna Mae McManigal, Royce Vernon, and Willie Butler. The color scheme used was pink-white-and-blue. Lots of good hot coffee and apple turnovers topped with a swirl of icing was served to the following guests: Ruby Vise, Margaret Meeks, Ruth Maynard, Opal McCarley, La Nelle Todd, Myra Culp, Nig Taylor, Janie King, Mildred Devin, Joyce Rallsback, Joan McDonald, Mary Jane Miller,

and Jolene Lee. While the group was enjoying refreshments, Kate McManigal read of the origin of the stork as a symbol in heralding a new birth. Mildred Devin read two sweet baby poems: "Baby," by George McDonald and "Babyland," by George Cooper. Then guests wrote short letters to the "Mother-to-be" for her to read in the hospital, predicting the sex, weight, length, and also suggesting names for the baby. Darlene then opened her gifts and passed each around for everyone to view. One guest gave aloud her name suggestion: Alfred Lord! (Tennison).

Everett Culp had an eye operation in Amarillo Tuesday afternoon, February 25.

Ruby Vise was in Amarillo Wednesday, February 26, on a shopping spree.

Two bridge clubs met Tuesday afternoon, February 25, one at 2:30 p.m. at Mildred Zachry's and one at Dorothy Sims.

Velma Greenfield, Dolores Weatherly and Stacy, and Ethel La Roe were in Tulsa shopping last week and had lunch at Wayne's Restaurant.

We are happy to see that Harold Bratcher is back in Happy and working at Bob Dowd's Case House.

Mr. and Mrs. Dale Whitlow flew to Washington, D. C., Monday for the National Grain Dealers' Convention, and will be gone a week.

Mrs. Oma Hayes, of Amarillo, spent Wednesday night, February 26, with her daughter, Mr. and Mrs. Tom Henry and family upon her return from visiting in California.

Miss Anne McManigal, daughter of Mr. and Mrs. Hobart McManigal, was home last week end. Anne teaches history in the Springlake School.

Billy Ed Conway, son of Mr. and Mrs. M. L. McFarland was listed as one of the top nine of the University of Arizona students. He is studying for his Doctorate.

Anita Starker and Eugene McKinney went to Dallas over the weekend to visit Bonnie Starker. Mrs. Bernie Starker returned home with them.

Mrs. Dee Taylor visited with friends in Amarillo Tuesday, February 25.

Others viewing the West Texas Buffs win over Oklahoma City University Thursday night were Dixie McGehee and Hobie McManigal, Eddie Moudy, Glen Maynard, and Bennie Cox.

The Esther Sunday School Class of the First Baptist Church had a class party last week. Mrs. Mae Allison is president and conducted a business meeting. Project for February was cuptowels for the church's kitchen. In March, their project will be visiting in regard to the coming revival, April 5. Those present were Anna Mae McManigal, Ruth Akins, Aileen Littlefield, Gladys Null, Margaret Knox, Doll Edmonds, Ella Hext, Nora Kinsey, Patric Parker, Ruby Vise, Anna Bea Waters, Mae Allison, Vera Eubanks, and Nora Taylor. The March Sunday School social will be in the home of Nora Kinsey.

Larry Stevens, Ed Wright, Dan Rahlfs, and Gary Culp went together to the McAdoo and Quitaque game in Canyon Saturday night.

The Monday night Bridge Club met at Myra and Everett Culp's home at 7:30. Supper was served to Louise and George White, Mildred and Punk Zachry, and Yvonne and L. G. Airhart.

For three days and nights the week of February 21, a good-sized stream of water ran down the gutter of Happy's main street, crossed the street at the Baptist Church and formed a small lake south of town. But Happy citizens did not complain as their cars splashed across the dip in Main Street. The water was coming from 750 feet below the surface, at a rate of 550 gallons per minute, from a well near Happy's city hall. Summer water shortages have long plagued Happy. When the well two miles from town began to weaken, Mayor G. L. Robinson and the city commissioners decided to drill a deep test in the city limits. The water is soft, containing less mineral content than the upper strata from which most plains irrigation and city water supplies are received. In addition to curbing Happy's water shortage, the well has created wide-spread interest among dryland farmers and those whose wells have been gradually weakening. Two deep test wells have been drilled and are in operation on the John Hammond farm northwest of Happy.

On March 13, Friday, there will be a teachers' meeting in Amarillo—and, as a result, a school holiday.

The school has purchased a new Drivers' Education car from Payne Implement Company. It is air-conditioned, has a radio and white sidewall tires.

Easter arrives early this year. Our holidays are March 27 through 30.

Visiting with the Bob Weatherlys were Mr. and Mrs. Bill Chapman of Wheeler, last Saturday. Vondell Killingsworth also visited with them for a while.

Visitors from Cross Plains, Texas, were Mr. and Mrs. Kuykendall at the home of Nora and Dee Taylor.

Mrs. Maureen Allison, president of P.T.A., presided over the meeting on Monday, February 24. On program was Mrs. C. J. Greenfield who presented a history of work done in P.T.A. Mrs. Jack Middleton gave a speech and presented a pin to Mr. M. D. Nichols for outstanding work in the P.T.A. Mrs. Anna Mae McManigal lead the group in some songs, accompanied on the piano by Mrs. Royce Vernon.

Mr. and Mrs. Carroll Killingsworth and Russell were in Canyon at the Branding Iron Theater Saturday night, February 22, for the play, "Look Homeward, Angel."

Mr. and Mrs. Everett Culp and Mr. and Mrs. Dean King, Pamela and Vondi, went to Amarillo Thursday afternoon to get a report from the doctor, following Mr. Culp's eye operation. The report was favorable. Later they had dinner at Furr's Cafeteria, where they saw some modeling of women's clothing, during the meal. Mrs. Culp and Mrs. King did some shopping, after which they stopped at the West Texas State University basketball game with Oklahoma City University on the return trip.

The F. F. A. Banquet will be Monday night, March 9.

Mrs. Evelyn Dowd had her

aunt and uncle from McAdoo Texas, Mr. and Mrs. Elois Nickels, visiting with her Saturday afternoon.

On Thursday night at 7:00, the Speech Department under the supervision of Mr. Carroll Killingsworth will present four one-act plays. Admission will be 50¢ for adults and 25¢ for students; the money will be used for additions and improvements in the speech department. The plays are as follows: "Who Does the Dishes Tonight?", directed by Marvin Carruthers, a senior student, with a cast composed of 8th graders LaVon Harman, Bennie Cox, Martha Sabedra, Elizabeth Payne, and Sharon Curry; next is "Oh, Baby", directed by Jerry Don Danner, a junior student, with a cast composed of seventh and eighth graders, Becky Rahlfs, Jill Szysloski, Lana Thornton, Neil McCarley, Mark Moudy, and Dian Culwell; another is "Wilbur Takes His Medicine" directed by junior student Angela Airhart, and in the cast are Cindy Toles, Susan McManigal, Debra Curry, Wickey Culp, and Don Maynard, seventh and eighth graders; and the last is "If Girls Ask Boys for Dates", under the direction of senior student Martha Toles, with a cast of ninth graders, Linda Lewis, Janie McManigal, Bobby Dee Todd, Dwayne Grantham, David Womack.

Miss Sheila LaDuke has been in the Amarillo hospital the past week. We hope she will soon be feeling chipper again.

Mr. and Mrs. John Frank Toles left late Wednesday, February 26, for Austin to visit with their daughter, Linda, who is a student at the University of Texas. They returned Sunday.

Ruth and Pat Maynard drove to Canyon to see a movie Friday night.

Myra and Everett Culp were at the ballgames at Canyon Saturday night and saw Bula and Meadow play, and McAdoo and Quitaque.

The F. F. A. Judging Team, composed of Jim Allison, Jim McManigal, Joe Johnson, and Jerry Don Danner, went to Olton for a Judging Contest last Saturday. They placed 3rd out of 25 teams. The junior boys (Freshmen) placed 2nd out of 8 teams, and they were Bob Robinson, Randy Johnson, Lloyd Rahlfs, and Richard Todd, with Richard Todd placing 5th man in the contest.

Tuesday the Senior Judging Team went to Pampa for a contest.

F. F. A. Officers for the coming year have been elected as follows: President—Jim McManigal; Vice-President—Wayne Stevens; Secretary—Tom Moudy; Reporter—Jerry Don Danner; Sentinel—Hobie McManigal; Treasurer—Joe Johnson.

Mrs. Lee Moore, Mr. and Mrs. Bob Lee, Mr. and Mrs. Burl Sims, and Mr. and Mrs. Wendell Sims accompanied Den I and Den II of the Cub Scouts on a tour of Amarillo Air Force Base Saturday. In Den II are Tim Carter, David Moore, Tommy, and Den Chief Bob Lee. In Den I are Eddie Wilson, Stan Morrison, Ken Lee Henry, Wendell Sims, Jr., Mike Sims, Don Lee, Robbie Smith, and Den Chief Neil Bryan. Also going on the tour were Glenda Wilson, Susie Sims, Ken Henry's sister, Mike Sims's little brother, and Wendell Sims's little brother.

A regular meeting of Cub Scouts Den I was held at the Methodist Church Monday afternoon.

Mr. and Mrs. Ira Prewitt, of Ralls, Texas, are visiting their daughter, Mr. and Mrs. V. A. Danner.

The Freshmen Home Economics Class participated in a broadcast in Canyon, Thursday over radio station KCAN. The purpose of the broadcast was to convey to the public how F.H.A. and Home Economics are interrelated. Chairman of the Question and Answer discussion was Bobbie Dee Todd. Other participants were Linda Lewis, Mattie Harrison, Glenda Mahler, Janie McManigal, Shelia Shipman, Carol Hardaway, Marilyn Coile, and Vera Shepard. Mrs. Lee Moore, F.H.A. sponsor and Home Economics teacher, and Mrs. Willa Elliott, Chapter Mother, accompanied

the group to Canyon.  
On Friday, March 13, tentative plans have been made for a supper, given by the youth of the Methodist Church, at the school cafeteria. The purpose for the supper is to raise funds for the youth trip this summer to Colorado. There will be twenty-eight youth that will make the trip. I repeat, this date for the supper is only tentative, but keep it in mind and we will be more definite next week.

## Mother Of Hall Dies In Minnesota

Mrs. Hannah Hall of Bellingham, Minnesota, died at 2:15 a.m. Monday in her home.

Mrs. Hall was the mother of Bob Hall, former resident of Canyon.

Mr. and Mrs. Bob Hall moved to Amarillo from Canyon last year. He worked in the Canyon Post Office while here.

Information concerning the funeral services for Mrs. Hall were not available at press time.

# West Texas State Buffaloes Get Wish For Successful Year

BY JOHN SHIELDS  
Coach Jimmy Viramontes and the West Texas State University cagers got their wish.

The Buffs extended their season record to 13-11--first winning season for West Texas since 1955-56 and the best season since 1954-55--by bombing New Mexico State Monday, 100-58.

It marked the fourth time this season West Texas has hit the century mark.

Sandy Phillips, Odessa sophomore, was named Basketball Sweetheart during ceremonies before the game Monday. She was selected from members of "The Buffettes" and the cheerleaders.

West Texas also posted an 89-80 win over NCAA-bound Oklahoma City University Thursday. The Buffs absorbed a 99-83 shellacking at the hands of the defending national AAU champion Phillips 66

Oilers Friday.

The victories over New Mexico and OCU were the second straight over the teams this season. West Texas had to go into overtime to down the NMS Aggies, 55-53, at Portales. OCU fell in the first meeting, 56-54.

Phillips beat the Buffs, 86-65.

All three of the final tilts were home games for West Texas.

The score in the OCU battle doesn't tell the true story. West Texas had the Chiefs down by as much as 24 points throughout a major portion of the first half.

West Texas' defense and offense proved too hot for the Chiefs to handle. Slick ball-handling and excellent passing paved the way to success in the two victories.

OCU managed to get within one point of the Buffs in the opening minutes of the contest. But then with an 8-7 lead West Texas erupted for a 17-7 advantage.

The Chiefs had trimmed the West Texas lead to 18 points at halftime, 50-32.

OCU battled back in the second half to within 13 points

at one time but a Buff rally once again extended the margin.

Although facing probably the tallest team in the country, West Texas outrebounded the Chiefs by a 38-31 margin.

From the field the Buffs connected on 35 of 57 tries for a hot 61.4 percent. They were 86.4 percent from the charity line hitting on 19 of 22 attempts.

The Chiefs hit a solid 47.8 percent from the field, connecting on 33 of 69 tries. From the free throw line they went 20 for 33 for 63.3 percent.

Kirby Pugh and Scottie Pierce were the big guns with 20 points each. James Strahan dumped in 19, Gail Simpson 12, Joe McWilliams 9, Marvin Mitchell 7, and Frank Schaffer 2.

Against the Oilers it was just a case of too much experience that led to the loss.

With almost nine minutes gone Phillips finally managed to take the lead. But West Texas joined forces and lead by two points, 42-40, with about four minutes left in the first half.

At halftime the Oilers held a 51-45 margin.

At one time during the second half West Texas narrowed the margin to two points. But then it happened.

Phillips gradually ripped the nets in building up a 24-point lead.

Pugh hauled down 17 rebounds and chipped in 24 points for an outstanding performance.

Strahan had 17 points, George Scott 16, Mitchell 10, Simpson, McWilliams, and Schaffer 4 each. Pierce had 3.

In the New Mexico affair the Buffs connected on 18 of 34 attempts from the field for 52.9 percent. The Aggies hit on 11 of 37 tries for a miserable 29.7 percentage.

Mitchell put the Buffs ahead for good with two free tosses 6-5 at 17:15. After building up

a 14-point lead, 24-10, with 12:22 left in the first half the margin stayed between 12 and 17 points the remainder of the half.

At halftime the Buffs were out front, 49-32.

After West Texas took a 20 point lead, 59-39, with 15:51 to be played it was all over but the shouting.

The winning margin--42 points--was the largest in the game.

Outstanding performances were turned in by the entire Buff squad in that contest.

Schaffer from Borger and Pierce from Post, Texas, both played their final games as members of the West Texas crew. They are seniors.

Pugh had another outstanding night by snatching 10 rebounds and dropping in 24 points for high honors. Pierce had 13 points, followed by Mitchell 12, McWilliams, Scott and Strahan with 9 each, Simpson 8, David Shearod and Schaffer 6 and Dale Burrows 4.

## McAdoo Wins Class B Meet

Defending Class B State Champion McAdoo had to come from behind to down Quitaque in the Region I Tournament Saturday in the Buffalo Field-house.

It was in the finals and McAdoo won its second straight trek to the state tournament.

In the semi-finals McAdoo ran over Bula, 81-60, and Quitaque downed Meadow, 61-44. Bula edged Meadow for third place honors, 71-69.

In the opening round Friday Meadow tripped Knox City, 58-44, Bula beat Channing, 88-69, McAdoo tromped Allison, 95-52, and Quitaque slipped past Shallowater, 54-51.

At the end of the first ten minutes of play Monday West Texas led by one point, 14-13. But at halftime it trailed, 31-28.

With 7:24 left in the contest Lubbock Liberty took a ten point lead, 65-55. It was easy going from there on.

Wade King and Ted Wheeler had 12 points each, Wallace Franklin, Harry Lisle and Sherfield Whaley 9 apiece, Mickey Fitts 7 and Bill Patton 6.

## Amarillo Keglers Donate Check

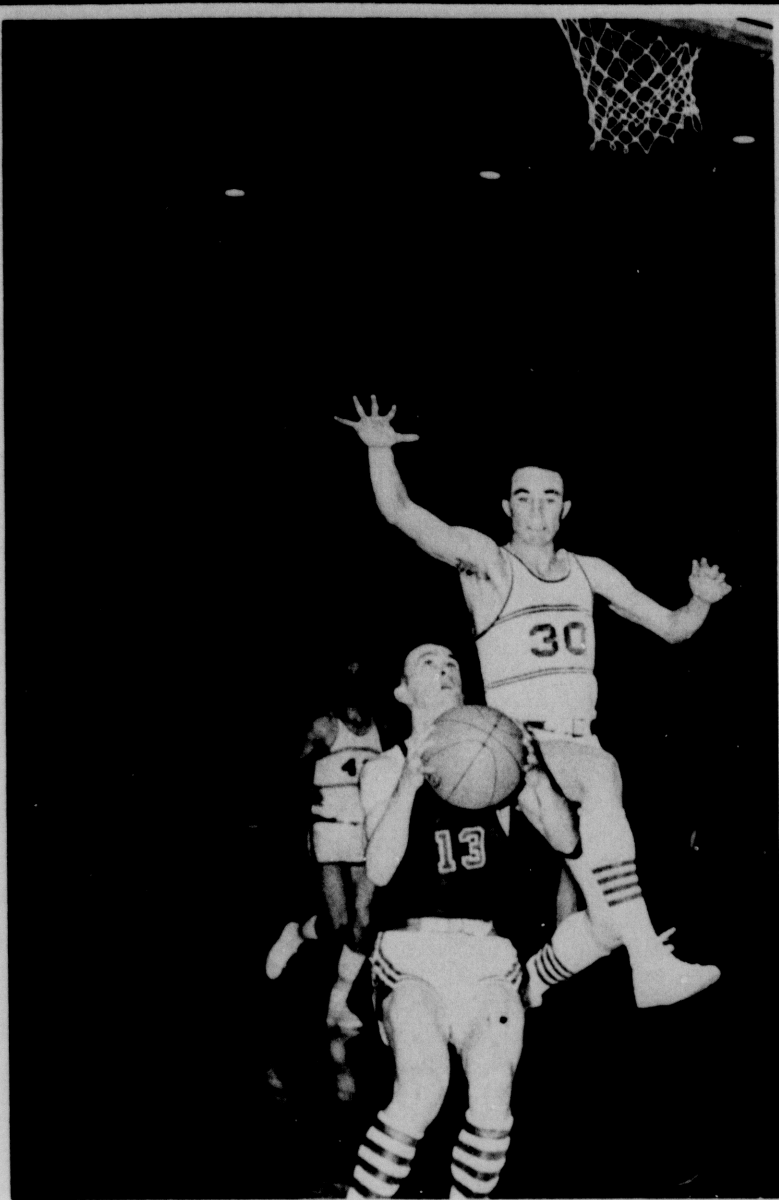

The Amarillo Men's and Women's Bowling Associations have donated a check for \$1,928 to the Panhandle chapter of the National Multiple Sclerosis Society following the conclusion of the Keglers travel tourney.

Money for the drive was raised through the league scores compiled in a special tourney at the Amarillo Bowl, Western Bowl, Grand Bowl, Palo Duro Lanes, Eastridge Bowling Palace and Canyon Bowl.

Leaders in the bowling tournament scores were Norman Tuck of Canyon with a pin count of 726 and Mary McClain with a 685 score. Cizon's Jewelers of Amarillo awarded a \$25.00 gift certificate to the Pace Setters and they were also presented with a \$50.00 savings bond.

Other winners from Canyon, with their scores and awards, were Allene Stovall, 657, an electric knife sharpener; Frank O'Donald, 723, an electric razor, bowling ball and savings bond; Eddie Knowles, 699, a watchband from Zale's Jewelers; Burl Southern, 684, a box of cigars; and Gilbert Ray, a savings bond.

Other winners from Canyon, with their scores and awards, were Allene Stovall, 657, an electric knife sharpener; Frank O'Donald, 723, an electric razor, bowling ball and savings bond; Eddie Knowles, 699, a watchband from Zale's Jewelers; Burl Southern, 684, a box of cigars; and Gilbert Ray, a savings bond.

MY TURN--Bobby Evans (13), Canyon, waits until Steve Hutton (30) of Dimmitt goes flying over to make a layup.

## Stompers Finish Season By Losing Two Contests

West Texas State's Stompers finished the season on a sour note Monday by falling to invading Lincoln Liberty Lifers of Lubbock, 71-64.

The Stompers beat Lubbock Christian College 64-63 Thursday but were dropped by Texas Tech's Picadors Friday, 77-75.

Wheeler was high against LCC with 18 points.

Texas Tech had to enter a sudden-death overtime in downing the Stompers.

Wheeler had 23, Whaley 19 and Franklin 11 in that contest.

Visiting with the Hud Prichard family last weekend was their son, Lt. Col. A. H. Prichard, Jr.

Lt. Col. Prichard is with the Air War College at Maxwell Air Force Base in Montgomery, Alabama.

He also visited with the Charles Harter family while in Canyon and with his daughter, Anne, who is a student at West Texas State University.

## Sour Lake Is Canyon's First Foe At Tournament

The Canyon Eagles are scheduled to tangle with Hardin-Jefferson Sour Lake at 3:10 p.m. today (Thursday) in the opening round of the state basketball tournament at Austin.

Canyon will carry an impressive 28-9 record into the clash. Sour Lake is 28-5.

Sour Lake is District 23-AA champion and Canyon won District 2-AA and the Region I Tournament.

Canyon will rely on its strong defense and a well-balanced scoring attack to carry them to victory.

Other teams in Class AA at the meet are San Diego 28-2 and Lancaster 28-4. They play at 4:45 p.m. today.

If Canyon wins the first tilt they will play at 10:20 a.m. Saturday for the championship. Should the Eagles lose they will play at 3:35 p.m. Friday.

It will mark the second straight season for Canyon to be at the state meet.

Last season Coach Allen Simpson tutored his club to the runner-up position. The Eagles fell to state champion Buna

in the finals, 47-41.

Starters for Canyon will be Eddie Poole, Don Breitling, Bobby Evans, Steve Burgess and Jim Whinnery. All are seniors.

Members of the Sour Lake squad with scoring averages in parenthesis are 6-5 Kenneth Thompson (15.0), 6-3 Jim Smith (13.0), 6-0 Wayne Weaver (12.0), 5-6 Keith Romig (8.0) and 5-11 Gary Clark (6.0).

Scoring averages of the Canyon players are Poole (11.6), Breitling (11.0), Evans (9.2), Burgess (7.8), Whinnery (7.7), Skip Moore (7.6), and Jody Richardson (4.5).

Moore and Richardson are the two top reserves.

Mrs. W. L. Mires and Mrs. Pete Webb from Lamesa visited over the weekend with their sons and their families, Mr. and Mrs. Clark Mires and Bill and Mrs. Joe Webb.

Had a party? Or giving one? Tell The Canyon News about it. Telephone OL 5-2141, or stop by the News office on the west side of the square.

## THERE IS NOW GREATER HOPE FOR THE SICK

The most reassuring fact about modern medical aids is that, while most diseases are now curable, the comparatively few that are not can be lived with under physician supervision.

"But," warns the F.D.A., "Beware the medicine man, who peddles his wares door-to-door, by mail, over radio or television, writes books, or even rents a hall to hold health lectures. Don't fall for his con game. Save your money--maybe your life." You are safer when you depend on your physician and pharmacist.

Your doctor can phone us when you need a medicine. Registered Pharmacist on duty 8 a.m. till 8 p.m. daily (Sundays and Holidays 8 a.m. till 6 p.m.). A great many people entrust us with their prescription. May we compound yours?

# Viramontes Tutors Buffaloes To Success In Initial Year

It's all over. A gruelling season is finished. Above all, it was a successful one for Coach Jimmy Viramontes and the West Texas State Buffaloes. It was better than the break-even season hoped for at the outset of the season. Coach Viramontes, in his first season at the helm, tutored the Buffs to their best season since 1955-56. Officially West Texas posted a 13-9 mark against college opponents. This was outstanding considering they played some of the nation's top teams. Not included in the figures is two exhibition contests with defending AAU champion Phillips 66. The Buffs dropped both of those games. Viramontes had to mold the team to his style of play, which must be noted, he did to perfection. West Texas played some of the best defense displayed by any college in the country.

The Buffs accounted for a major portion of their wins due to working for the percentage shots. They will finish in the top five, probably second, in the nation in accuracy from the field with 50.2 per cent. However, this isn't to say that the Buffs weren't capable of connecting on the longshot from the field. They qualified in this department with Marvin Mitchell, Gail Simpson, James Strahan, Joe McWilliams, David Shearod and George Scott doing the work.

Leading the attack under the basket was Scottie Pierce, Frank Schaffer, Kirby Pugh and Dale Burrows.

The outlook for another top cage team for next season is bright. Only Schaffer and Pierce are scheduled for graduation. But, they were the tallest members of the squad at 6-8 and 6-7, respectively.

The freshmen team will also provide some top prospects, although they won't possess the height needed.

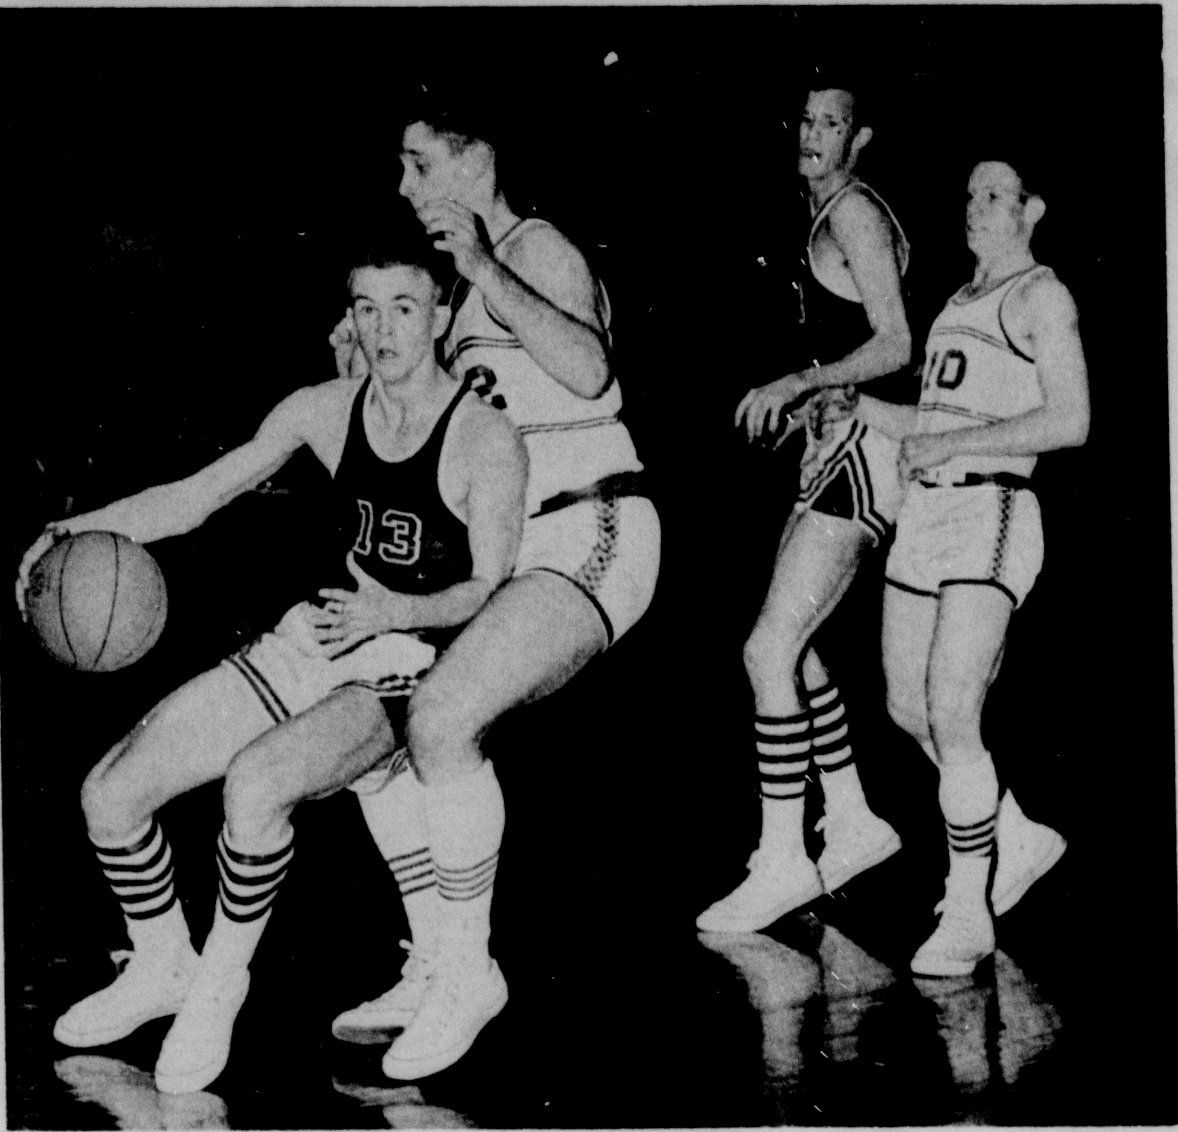

If Viramontes recruits some good and tall junior college lads, watch out.

Pierce—one of the most improved members of the team—won the scoring chase with a 13.9 average. He led in field goal percentage, connecting on 119 of 210 tries for 56.7 per cent. The Post native was far out front in rebounds with 208 for an average of 9.5 per game. Mitchell was second in scoring with 12.3 per game. Strahan had 12.2, Pugh 11.3, Schaffer 8.8, Simpson 5.9, McWilliams 5.4, Shearod 5.4, Scott 5.3 and Burrows 1.7.

Simpson led in accuracy from the charity line. He dumped 37 of 45 attempts for 82.2 per cent.

These figures don't include the exhibitions with Phillips 66. As a team, West Texas pumped in 681 of 1,357 field goal attempts for 50.2 per cent. From the free throw line the Buffs dropped in 365 of 524 tries for 69.6 per cent.

West Texas outrebounded opponents 43.0 to 38.7 a game. The Buffs outscored the opposition 78.5 to 76.0 points per game.

SURPRISE, SURPRISE—Little Bobby Evans (13) of Canyon could be asking Jacky Nichols (32) of Dimmitt to move over. Clint Summers (10) and Skip Moore (31) watch the action. Canyon won the battle, 53-44.

## ROTC Ball In Union Monday

The annual spring Military Ball will be held Monday, March 9, at the Student Union Building on the campus of the West Texas State University from 8 p.m. until midnight.

Sponsored by the Reserve Officers Training Corp., the formal affair is being arranged and planned by organizations at the university including the Scabbard and Blade Military Honor society with Mike Crawford, president, serving as overall chairman. Other organizations assisting with the ball are the Drill Team, ROTC Band, Rifle Team and the Count Insurgency Team.

The theme for the event will be the development of the U.S. Army from the Revolutionary War to the present time according to a spokesman for the planning committee.

Music for the dance will be

Mrs. Gene Root visited with Mr. and Mrs. Charles Boston and daughters at Odessa for two weeks recently. Mrs. Boston is Mrs. Root's daughter.

She returned to Canyon this week with Mr. and Mrs. Harold Root, Gene Root and Clyde who were in Odessa for that purpose.

provided by the Glenn Miller Orchestra under the direction of Ray McKinley.

Tickets are currently on sale at \$4.00 per couple and may be purchased at The Pharmacy, the buffalo Barber Shop, or at ROTC Headquarters on campus.

ROTC students who wear uniforms to the ball will be admitted free, along with their dates, says the planning chairman.

## Four Students Rated First

Seven Canyon students participated in the annual Inter-scholastic League region II contest held at WTSU Saturday.

Lou Ann Cowart, Nancy Maxwell, Wam Moore and Nancy Davis received first divisions on solos they sang during the day. Sandra Boggs and Lynn Cleavinger were rated with second divisions and Jean Ann Oglesby received a third division.

More than 600 students entered the contest from junior high and high schools in this area.

## Sororities Pledge 21

With the close of open rush for the spring semester at West Texas State University, 21 girls were pledged by the four national social sororities on campus. The groups earlier had chosen 19 rushees through formal rush.

Picked by Chi Omega were Anne Canon of Midland, Marilyn Lee Johnson of Amarillo, and Margaret Stroud of Amarillo.

Alpha Delta Pi has tapped Ann Pronger of Stratford, Sharon Smith of Amarillo, Gale Webb of Amarillo, Connie Wil-

liams of Clarendon, and Sue Woodford of Hereford.

Pledging Delta Zeta are Ann Adair of Canyon, Waynette Goodwin of Seagraves, Bambi Green of Amarillo, Judy Jay of Amarillo, Beverly Peck of Edna, Pat Ranspot of Hereford, Rita Smith of Borger, Judy Straughan of Amarillo, and Sydna Taylor of Fritch.

Four girls named to Zeta Tau Alpha were Sandra Bolerjack of Perryton, Joan Brown of Seagraves, Evelyn Graham of Perryton, and Shirley Willis of Petersburg.

# Canyon Man Is Custodian Of Area History

The rider following the trail of memories  
Pulled up to read sign at our meeting.  
Swinging down, he carefully brushed away  
The ashes of our camp fire  
And found the embers glowing still.  
—C. Boone McClure, 1943.

BY FRED TRIPP  
Curious about who worked the north forty in '21, the summer before the winter that was even worse than the winter before? Or what became of Randal McKenzie, the Indian fighter? Or the relative speeds of a horse and a two-cylinder, 1909 Buick? Or the 665 kinds of barbed wire? Or the best girls' basketball team ever fielded by Happy? Then the man to see is C. (for Charles) Boone McClure of Canyon, the best stocked repository of regional lore in Texas north and west of J. Frank Dobie.

McClure, curator of Panhandle-Plains Historical Museum, is a stocky Scots type with a graduate degree in history, a quizzical look and outlook, the easy ways of the plainsman, and a deep and abiding interest in the life and culture of this corner of the West.

He has been associated with the museum here since 1941, but his flypaper memory—awesome even in a land where every old-timer can avow and depone with the fluency of total recall—seems to have caught and fixed with precision most of the dates, faces, objects and events that he has encountered, in person or in print, since Dec. 22, 1907.

"My birthday," he explains. "I was born in a farmhouse on a section of land about 9 miles south of Claude. It had been a part of the JA spread, I believe, and my folks got it when they came here from Hill County. The year 1907 was marked

Bank of Panhandle, now a museum treasure. At right, the camera captures McClure in his native habitat—a typical ranch kitchen, complete with wood-

burner and butter churn. The scene is typical of in-place collections that make the museum here one of the best of its kind in the Southwest.

by financial panic throughout the nation. I mention this now because I don't believe my arrival caused it..."

The family spent the next four years in Armstrong County, but McClure regrettably reports he has no distinct recollection of this period except the annual Sunday contest between the horse and the Buick.

"Dad had a two-cylinder, 1909 Buick," he says, "and every Sunday he loaded the family in and took us to church. My brother Billy, who seems to have had considerably more years on me at that time than he has now,

accompanied us on a horse, the idea being that after church he could get home before we did and have the coffee ready.

"Well, Billy usually stayed around for a while after church to shoot marbles on the lawn. Then, when we were about half-way home, chugging along on all two cylinders, along he would come, whooping and hollering, and lose the Buick in his dust."

After a short stay at Happy, the McClures arrived in Canyon in 1912 when McClure's father, the late S. B. McClure, acquired an interest in the old Palace Hotel.

"We first lived at 20th Street and 3rd Avenue," McClure recalls, "and then we moved to 4th Avenue and 23rd Street. Dad gave up the hotel and started in the real estate business. I remember, we lodged some WT students in our home. I also remember one day, the old college building caught fire while I was playing just about where the museum now stands. I mention this now to point out that I had nothing to do with it..."

About this time also McClure first began to entertain dreams of becoming a man of money—

an aberrant fancy which, he says, persists to this day, "despite the record."

"My first venture," he says, "was in carrying scuttles of coal for the 'bachelor stoves' used by WT girls in residence. In snowy weather I demanded and got a nickel per scuttle. I had a pretty good run, and much might have come of it—but I finally had to quit and go to school."

McClure finished grade school in the building that formerly stood on the square now occupied by the Canyon Junior High School plant. He went on to high school and in 1925 was graduated with honors—an occasion marred, he recalls, by failure of school authorities to get the correct number of chairs on the stage.

"We were one chair short, so I shared the last one with another student," McClure says. "It was a bit uncomfortable, not to say perilous, but a friend of mine in the second row managed to prop his foot up so as to support me. I was grateful, but then I got called on to stand up. When I did, it looked to the audience as though I'd been sitting on this other fellow's foot. I mention this now merely to state that I hadn't really planned on breaking up the house..."

McClure's grade and high school years included practically any number of misadventures, but he particularly recalls one that was more misadventurous than most.

"My dad was real good at volunteering me for jobs," he says. "One day he volunteered me as horse wrangler. I was in the eighth grade and not quite adequate for the job, but I took charge of nine horses and a couple of colts that I was supposed to drive to a place on the South Plains."

"As near as I can tell, I got 'em the first day as far as where Clarence Beckman now lives, and the second day I got to a pasture two miles south of Nazareth. Next day I'd started south again when a couple of mules broke out of a pasture, joined the herd and started kicking the colts."

"I had me a real job, then. Fast as I got one colt up the other one went down, and when I finally got the mules under control they wouldn't leave. Just to keep the peace, I took them along, too."

"A couple of miles on, the man I was working for came bucketing up in his Overland one-seater. I told him what had happened. If there were any cusswords I hadn't thought up, he supplied 'em..."

McClure enrolled at West Texas State Teachers College in June, 1925. A year later he was forced by hard times to drop out and take a job, first in the post office at Panhandle, later in the office at Borger. In 1927 he returned to WT and in 1928 was awarded his degree.

"At that time," he says, "Dr. Hill was president and the college plant consisted of the present administration building, the education building and Cousins and Randall Halls. I earned my way partly by working in the library at 40 cents an hour, partly by maintaining the tennis courts at the same rate. I mention this to make it clear that I have always been interested in making money..."

After graduation, McClure spent a year as a full-time

library assistant at \$80 per month, then headed for the University of Texas to try for a graduate degree.

"I majored in history," says McClure, "and I had the great good fortune to be in a class taught by the late Dr. Walter Prescott Webb. His subject was 'The Great Plains,' and the University of Texas was the only place where you could study it. Dr. Webb was then polishing the final draft of his book, which has become the classic exposition of our part of the world."

"We had a good many arguments, but he gave me an 'A' because I was the only student in his class who'd ever seen a live cow or a real windmill—meaning no offense, of course, to such a fine fellow as Jim Lumpkin, who now heads a law firm in Amarillo. I simply mention it to point out that Jim, among others, had never been off Polk Street until he came to Austin."

McClure won his graduate degree on the strength of a thesis entitled, "The T-Anchor Ranch in Randall County," his first publication and one which, unknown to him at the time, indicated the permanent set of his compass.

He returned to the Panhandle and tried his hand at a variety of jobs—librarian, farm hand, tire repairman and entrepreneur of a service station.

"That was some job, that station," he recalls. "I had it in my head that hard work somehow resulted in a large financial reward, sooner or later. So I opened every morning at 6:30 and stayed open until 10:30 every night. At the end of the month I totted up the books and found I had cleared exactly \$30. Without forsaking my basic philosophical position, I decided it was easier to scoop wheat..."

In 1931 McClure was invited to join the school system at Happy—largely, he says, on the strength of the fine teaching record of his sister, now Mrs.

Hobart McManigal of Happy. "Maybe they thought talent was evenly distributed in our family," he says. "Anyhow, I took the job—a combination of principal, sixth grade teacher and coach of the girls' basketball team."

"I didn't know much about coaching, but I came up to Canyon and got Sam Burton, the WT coach, to draw me up a few plays. As it was, I lucked out pretty good—won 22 out of 26 games and never got beat except by state champions or other teams in the very top bracket. For this as well as other reasons, I've always considered Burton to be the best basketball coach in the game."

In 1932, McClure moved over to the Happy High School to teach English, and he still takes a modest pride in scholastic improvements achieved during his tenure.

"When I got there, the school had no affiliation for credits. After a year, however, we had a full four-year accreditation in English. I remember I once asked a student to define a noun. 'A noun,' he said thoughtfully. 'You know, I've heard of that thing...'"

Pursuing slight but perceptible financial benefits, McClure went to the Childress school system in 1934, switched to the Amarillo system in 1936, then returned to Childress, tempted by the then impressive annual salary of \$1,350. By 1938 he was a principal and assistant coach, drawing a total of \$2,050 per year.

But early in 1941, McClure received a letter from Dr. Hill asking him to take over a combined teaching job and curatorship of the Panhandle-Plains Museum at WT. McClure at once headed for home.

And home it has been ever since. Starting with the modest building and collection begun by Dr. Hill, Dr. Hattie M. Anderson, and Dr. L. F. Shaffy, of the department of history, and by good friends and members of the Panhandle-Plains Historical Society, McClure has watched over the growth of the museum into one of the finest institutions of its kind in the Southwest.

"In the 16 years I've been here," says Dr. James P. Cornette, president of West Texas State University, "I've seen Boone McClure develop a good institution into a better one by exemplary industry and intelligence."

"Many persons have given of their time, interest and financial resources to make the Panhandle-Plains Historical Museum an outstanding repository of Panhandle and Southwestern history. Their contribution has been the greater for the efforts of a man who knows and loves this region."

McClure himself speaks modestly of his work for the museum.

"I've made a few contacts with people interested in our work here," he says, "and of course I'm always ready to lend a hand in any project. But we owe this institution to many individual donors, and to the unflagging interest of members of the Panhandle-Plains Historical Society."

The statement falls a bit sh-

ort of the mark. As a curator and collector of visible history, McClure spares no effort to capture for his bailiwick whatever it may be that, in his opinion, will enhance the museum program.

On one occasion, for example, he drove day and night to get the carcass of a mountain lion to a taxidermist before the dry ice in which the carcass was packed lost its potency.

Nor is there space here to recount the intricate diplomacy and involved negotiation that resulted finally in acquisition of the war bonnet and lance that once belonged to Quannah Parker, the war chief who has left his mark on Panhandle history. Suffice it to note that the campaign began in 1955 and was conducted with varying fortune until 1961, when the bonnet and lance came to rest in an honored place in the museum.

McClure also finds time to write extensively on a variety of incidents and subjects in Panhandle history. Until recently his contributions to the "Panhandle-Plains Historical Review," annual publication of the Panhandle-Plains Historical Society, bulked larger than those of any other contributor, and at the moment he's by way of becoming something of an authority on the historical development of barbed wire.

"There's more points to the subject than you'd think," he says. "For instance, I've turned up about 480 different patents, and now I learn there are 661 varieties. This means more field work."

In June, 1948, McClure and the former Dorothy Reynolds of Shamrock were married. They now make their home at 406 Holman Lane, and Mrs. McClure is a teacher of language arts in Canyon Junior High School.

"It's an interesting life," says Mrs. McClure. "You never know just who the next dinner guest is going to be. I'm prepared at all times to welcome visiting dignitaries, Indians, scholars, researchers, and platoons and regiments of just plain friends."

A congenial soul, McClure is a former president of Canyon Rotary Club, a member of the Masonic order, the Sons of the American Revolution, Sons of the Confederacy, executive secretary of Panhandle-Plains Historical Society, Phi Alpha Theta, Texas Museums Conference, Oklahoma Museums Conference and a director of Mountain-Plains Museums.

As for future plans—"A bigger, better museum here," he says. "I say this to make it clear that I've recently discovered I'm already the richest man in the world. I just made the slight error of confusing riches with possession of one million dollars."

"I remain, of course, a frustrated poet..."

Not so frustrated, however, that the fugitive bit that stands at the head of this story doesn't say, in a few fine words, all that these many words have perhaps failed to say.

## Civic Club Session TIC Director Set For Meeting Here

Harry W. Clark, executive director of the Texas Industrial Commission, will be guest speaker at a joint luncheon of all civic clubs of Canyon Thursday, March 12, in the West Cafeteria on the WTSU campus.

Clark, nationally-known industrial developer, was invited to Canyon by the industrial committee of the Canyon Chamber of Commerce. H. R. King and Troy Martin head the committee.

Clark will discuss various industries within Texas with members of the local civic organizations beginning at noon Thursday.

He has held his position since January of 1962. Before assuming his present duties he was affiliated with the Texas Power and Light Company and the Texas and Pacific Railway Company.

He is a graduate of Kentucky's Bowling Green College of Commerce. He served four and one-half years of military duty in World War II with more than two years overseas.

Clark served as president of the Southern Industrial Development Council in 1954 and as president of the American Industrial Development Council in 1957-58. He is currently president of the Southern Association of State Planning and Development Agencies, and he is also a member of the executive committee of the National Association of State Planning and Development Agencies.

Clark was one of the founders of the Texas Industrial Development Council and in 1961 was chairman of the Dallas Area Industrial Development Association.

Immediately prior to coming to Texas, he was vice president of the Fantus Area Research, Inc., a part of the Fantus organization which specialized in finding plant locations for industry.

Clark has served as state president of the Mississippi Junior Chamber of Commerce and national vice president of the organization. He has been a district governor in the Lions, and in 1950 was recognized by the Jaycees as "Mississippi's Outstanding Young Man."

A HOME DEMONSTRATION luncheon and program was held at the First Methodist Church of Canyon last Friday with Mrs. David Pulley, far right, home demonstration agent for Randall County as the program speaker. The buffet styled luncheon was attended by over 40 ladies including, left to right, Mrs. Jack Barnard, president of the Canyon Home Demonstration Club, Mrs. Bob Wilkinson, Palo Duro Rusk Home Demonstration Club president, and Mrs. Velton Sogree, president of the Edgetown Home Demonstration Club.

## Miss Hill, Missionary, To Speak

The First Methodist Church of Canyon will conclude their School of Missions study series with a program featuring Miss Joyce Hill, a South American missionary.

Miss Hill, the daughter of George Hill of Canyon, is presently on furlough after serving ten years as a missionary in Cuba and Argentina.

She worked in Cuba for eight years and served last as the

principal of a girl's school in Cinefuegos. For the past year, she was director of a Girl's Hostel in Buenos Aires, Argentina, and will return to Buenos Aires next fall as Dean of Women at the Seminary.

Miss Hill graduated from Canadian High School and West Texas State University. She received the master's degree from George Peabody College in Nashville, Tennessee.

The Sunday evening program, March 8, featuring the talk by Miss Hill will begin at 6:00 p.m. with a covered dish supper. The Pathfinder Sunday School Class will host the supper.

Primary Junior and Junior High Choirs will sing at the worship service beginning at 7:00 p.m. with an invitation extended to the people of Canyon and vicinity to join in both the supper and evening service.

By MRS. J. W. WESLEY

During the recent snowstorm, Mr. and Mrs. Cecil Hunder, nee Charlene Sutton, had attended a basketball game at Dimmitt and enroute home they became stuck in a snowdrift and had to spend the night, but they were not injured because of having plenty of warm wraps along.

George Uselding is home and has resumed driving his car, since he underwent surgery recently.

Ann Smith was treated with an electro-cardiogram test and the doctor recommended bed rest for about three weeks. She is the mother of Mrs. Cortez McNeal.

The D. L. Whitson family of Brownfield visited last Saturday night and Sunday with her parents, Mr. and Mrs. J. W. Wesley.

Mrs. Letha Patterson visited in Groom last Thursday with her mother and then travelled on to Panhandle for a visit with her father who is in a rest home there.

The Bob Boyds are parents of a baby girl born recently. He is the nephew of Mrs. Woodrow Wesley.

J. W. Wesley went to the stock show and sale in Tulsa last Friday. Before returning home, he visited with Mr. and Mrs. Don L. Amerson and the Troy Langstons.

A letter from our former pastor, Rev. John Sullivan, states that they are happy and busy in their new church, but that her sister is critically ill in Lubbock's Methodist Hospital now.

Rose Wesley attended the state bowling tournament in Midland last week end.

On the sick list for the past several days has been Mrs. Darrell Wilson.

Mr. and Mrs. H. H. Shipman visited her parents, Mr. and Mrs. G. E. Wesley last Sunday.

Arlen Wesley sprained his knee while playing handball recently. He was on crutches

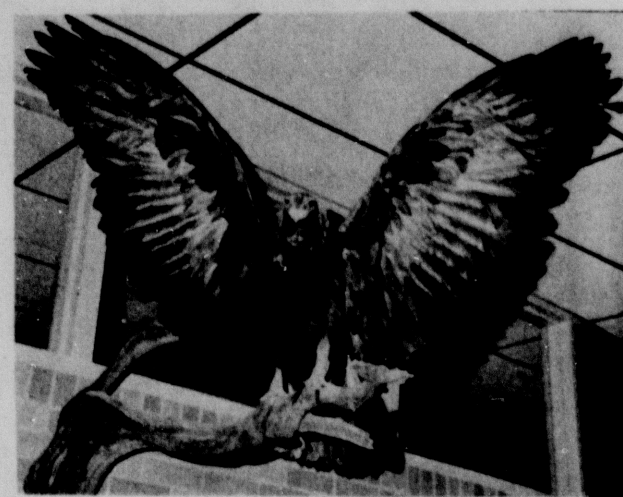

row Wesley in Happy, Friday; and Mrs. G. E. Wesley and granddaughter, Mrs. Gene Shipman and son, Ralph, were in Amarillo on business.

## Sydna Taylor Places Third

Miss Sydna Taylor, sophomore at West Texas State University, won third place in a Hootenanny sponsored by the Amarillo Junior Chamber of Commerce Saturday night.

Miss Taylor won \$100 in the Hootenanny which was held in the Fair Park Coliseum in Amarillo.

Bruce Ayers of Gruver won top prize of \$200 for the evening.
